Management Act 1991*

Private Plan Change 41 (PC 41) proposes to change the Selwyn District Plan (Rural and Township Maps and Plan Text) to rezone 9.2ha of existing Rural (Inner Plains) land to Living 3 to facilitate the subdivision and development of 14 rural residential households. The subject land is located at 311 Trents Road (Lot 2 DP 51743) and is located at the north-east corner of Trents and Shands Road on the western outskirts of Prebbleton. PC 41 proposes the following amendments to the Selwyn District Plan:

- Amends the District Planning Maps to rezone the subject land to a Living 3 zone
- Incorporates an Outline Development Plan to coordinate and guide the future development of the site
- Proposes rules that require a landscape bund and noise mitigation on the western boundary of the site where it borders Shands Road
- Incorporates land use rules and subdivision assessment matters to manage the effects of any future development on the site in accordance with the proposed amendments to the Living 3 zone provisions

The plan change and the assessment of why it is needed can be read at any of the Council's service centres and public libraries in Darfield, Leeston, Lincoln and Rolleston or online at www.selwyn.govt.nz
