Full name of submitter: Mr. HUGH JAMES MACARTNEY

This is a submission on Private Plan Change Z & S Croft and J K Williams.

1. The specific provisions of the proposed plan change that my submission relates to are:

① DRAINAGE - As a landowner of properties south of the village, I have concerns about the extra water from the development being sent down Ryan's Drain - into Bains Drain - both of which are at full capacity at present.

.....(give details).

2. *My submission in ~~SUPPORT~~ / OPPOSITION is: while I have some sympathy for smaller lot sizes which gives better utilization of land, this needs to be done under a 'General Plan Change' where the best places for this to occur can be debated by all interested parties rather than 'piece meal change'.

*Include whether you SUPPORT or OPPOSE specific parts of one or both of the plan changes or wish to have them amended; and the reasons for your views. Continue on a separate sheet if necessary.

3. †I seek the following decision from Selwyn District Council:
- IF the application is upheld then the drainage water should go via holding ponds within the development then ^{piPED} direct to the Halswell River as is the case for some of the drainage at present.

†Give precise details, including the nature of any change sought. Continue on a separate sheet if necessary.

4. I WISH / ~~DO NOT WISH~~ to be heard in support of my submission (delete as applicable)
5. If others make a similar submission, I will consider presenting a joint case with them at a hearing (delete if you would not consider presenting a joint case)
