My/Our Submissions is: : I had a huge spiel about how we were drawn to Wilfield specifically when building and moving from the city for section sizes, space, privacy, peace etc. We had been looking at Lincoln and Prebbleton and we wouldn't have chosen Wilfield had these smaller blocks been on the original plans, but they weren't. We also fear the Weedson Ross/West Coast intersection becoming even more dangerous if there are more sections allowed in Wilfield, especially if there is more people going across to the school, kindy and Doctor. It is bad enough as it is.

I/We seek the following decision from the Council for the following reasons : No rezoning of the Wilfield subdivisions, based on safety at the Weedson Ross/West Coast Rd intersection as well as being sold the section we live in based on the smaller number of sections and the larger sections sizes themselves in the Wilfield subdivision.
