 The specific parts of the application that **my / our** submission relates to are: (give details, continue on a separate sheet if necessary)

The entire application.

 The reasons for **my / our** submission are (give details, continue on a separate sheet if necessary):

Harts Creek Streamcare Group has not been consulted nor considered a directly affected party as part of this process. This group represents landholders adjacent to Birdlings Brook to its confluence with Harts Creek and ultimately Lake Ellesmere/Te Waihora. The Proposed Plan Change 62 has the potential to increase pollutants and sediment as well as increased seasonal water flows in Birdlings Brook and Harts Creek. The PPC62 has not adequately addressed these significant potential adverse environmental effects and how they will be avoided, remedied or mitigated.

The decision **I / We** would like the Council to make is: (give precise details including, if relevant, the parts of the proposal you wish to have amended and continue on a separate sheet if necessary)

The Harts Creek Streamcare Group would like the Council to decline the application in its entirety, or alternatively, approve only part of the proposed rezoning area to ensure all adverse effects on Birdlings Brook and Harts Creek are completely avoided.
