

IN THE MATTER OF the Resource Management Act 1991

AND

IN THE MATTER OF The Proposed Plan Change 62 Leeston to the Selwyn District Plan

LOCAL AUTHORITY SELWYN DISTRICT COUNCIL

MINUTE 4

MINUTE OF COMMISSIONER DEAN CHRYSTAL

Proposed Selwyn District Plan

The Proposed Selwyn District Plan will be notified on the 3rd October 2020 and thus occurs both before the closure of the Plan Change 62 hearing and a recommendation on the plan change to the Council.

I would like advice from the Council and the Applicant as to whether there is any jurisdiction which requires me to take into account the Proposed District Plan in my considerations. If one or both the parties, consider there is jurisdiction to consider the Proposed District Plan it would be useful to understand what they consider the process should be given the hearing is not yet closed.

It would be helpful if I could receive that advice by 5pm on the 7th October 2020.

Any email or document should be sent to Tina.vandervelde@selwyn.govt.nz
