

Operative Selwyn District Plan

PRIVATE PLAN CHANGE 66

Rolleston Industrial Developments Limited have lodged a private plan change request with the Council.

Selwyn District Council

Clause 5 of the First Schedule, Resource Management Act 1991

Plan change 66 (PC66) proposes to change the Operative Selwyn District Plan to rezone approximately 27.27 hectares located on the south side of Maddisons Road, Rolleston from Rural Inner Plains to Business 2A zone.

The change seeks to insert a development plan and associated rules into the District Plan. If approved it would result in additional industrial development.

PC66 proposes amendments to the Operative Selwyn District Plan that include:

- amending the District Planning Maps to rezone the subject land from Rural Inner Plains to a Business 2A zone.
- incorporating an outline development plan to coordinate and guide the future development of the site

The plan change request and the assessment of why it is needed can be read at Council's Rolleston Headquarters and can be viewed online at service centres and public libraries in Darfield, Leeston, Lincoln and Rolleston or at www.selwyn.govt.nz.
