

Selwyn District Plan

PLAN CHANGE 69

Rolleston Industrial Developments Limited has lodged a private plan change request with Selwyn District Council pursuant to Clause 21 of the First Schedule, Resource Management Act 1991

Plan Change 69 (PC69) proposes to change the Selwyn District Plan to rezone approximately 186 ha of land at Lincoln from Rural (Outer Plains) Zone to Living X, Living Z and Business 1 zones, to facilitate the future development of approximately 2,000 residential sites plus a small commercial zone.

The land proposed to be rezoned is located generally on the south side of the Lincoln township (to the immediate south of the Te Whāriki and Verdeco residential subdivisions), to the east and west of Springs Road, and to the north of Collins Road. The western and eastern boundaries of the subject land are an ephemeral waterway termed Western Boundary Drain and the LII River respectively.

PC69 proposes amendments to the Selwyn District Plan that include:

- amending the District Planning Maps to rezone the subject land
- incorporating outline development plans to coordinate and guide the future development of the areas

The plan change request and the assessment of why it is needed can be read at Council's Rolleston Headquarters and Rolleston Library and can be viewed online at service centres and public libraries in Darfield, Leeston, Lincoln and Rolleston or at www.selwyn.govt.nz.
