

Form 6

Further submission in support of, or in opposition to, submission on publicly notified
proposed policy statement or plan

Clause 8 of First Schedule, Resource Management Act 1991

To: **Selwyn District Council**

Name of organisation making further submission: **Canterbury Regional Council**

The Canterbury Regional Council has an interest greater than the general public as it has statutory functions to ensure strategic integration of infrastructure and land use is achieved (s30 (1)(gb)). Plan Change 1 to the RPS expresses how that this function will be met.

This is a further submission **in opposition** to submissions on the following proposed plan change to the following plan:

*Selwyn District Council Proposed Plan Change 7 Growth of Townships, Urban Development
and Rezoning of Land for Urban Purposes in Rolleston and Lincoln*

CRC **oppose** the submissions of:

- Edna Earnshaw (L) (S13)
- Angelene Holton (R) (S25)
- McIntosh, Jung and Lee (L) (S89)

The particular parts of the submission CRC **oppose** are:

*All of these submitters request relief that, if allowed, would increase the area of land within the
urban limit, which has the potential for undermining Plan Change 1 to the Canterbury RPS
(PC1).*

The reasons for CRC **opposition** are:

*Inclusion of further land for urban activity outside the urban limit, will undermine the
efficacy of Plan Change 1 to the Canterbury RPS.*

We seek the following decision from the local authority:

That the above submissions be disallowed, unless Selwyn District determines to include them as part of its considerations under provisions of PC1 to the Regional Policy Statement (including policies 6 (Integration of Urban Form, and Infrastructure within Urban Limits) and 11 (Residential Density) and 13 (Development outside Urban Limits)).

We wish to be heard in support of our further submission.

If others make a similar submission, we will consider presenting a joint case with them at a hearing.
