Provisions to which my/our submission relates:

Other requirements - Traffic

My position on this provisions is:

Neither Support Nor Oppose

The reasons for my/our submission are:

Additional residential property in the area will increase vehicle traffic.

The decision I/we want Council to make:

Please upgrade the intersection of SH1 and Dunns Crossing, by widening with left/right turning lanes

My position on this provisions is:

Neither Support Nor Oppose

Point 5

Provisions to which my/our submission relates:

Other requirements - Services

My position on this provisions is:

Neither Support Nor Oppose

The reasons for my/our submission are:

Dunns Crossing Road has areas without street lighting. I like it like that because it feels more "rural"

The decision I/we want Council to make:

Any street lighting additions should be muted and low-impact.
