Form 5
Submission on publicly notified Plan Change
Selwyn District Plan

Clause 6 of First Schedule, Resource Management Act 1991

To Selwyn District Council

1. Full name of submitter: Lance and Leanne Field and Lanke Ltd.

This is a submission on the following proposed Plan Change:

8 and 9 (name and number of Plan Change)

2. The specific provisions of the proposal that my submission relates to are: The allotment size and the effect on the existing rural community and their farming activities (give details).

3. *My submission in SUPPORT OPPOSITION is:

We oppose the plan change as it is in contradiction to the current 20 ha minimum allotment size.

The proposed plan change will - affect our ability to farm
- increase our rates via increasing land values
- cause the further degradation of farming land

- The only reason the SPBL want this is because they have spent too much money converting forests to farming and need to get themselves out of the financial poo.

*Include whether you SUPPORT or OPPOSE specific parts of the plan change or wish to have them amended; and the reasons for your views. Continue on a separate sheet if necessary.

4. †I seek the following decision from Selwyn District Council: Leave the

minimum allotment size of 20 ha
in place as there is plenty of
land closer to Rolleston which can
be subdivided to meet ch-ch growth
needs

†Give precise details, including the nature of any change sought. Continue on a separate sheet if necessary.

5. I WISH / ~~DO NOT WISH~~ to be heard in support of my submission (delete as applicable)

6. If others make a similar submission, I will consider presenting a joint case with them at a hearing
(delete if you would not consider presenting a joint case)
