My/Our Submissions is: : I would oppose the proposed plan change over concerns that it may effect the allocation of rural residential land adjacent to other townships in District, as proposed in plan change PC17. PC8 & PC9 propose to have as many lots, as the total allocated for the entire district in PC17. Other townships (Lincoln, Prebbleton, Leeston, Darfield) should have a fair allocation of rural residential land provided, to ensure equitable allocation of lifestyle opportunity across the district. It would not be equitable if rural residential land was concentrated around just Rolleston township.

I/We seek the following decision from the Council for the following reasons : Oppose PC8 & PC9 if it adversely affects the allocation of rural residential land adjacent to other townships in the Selwyn District, as proposed in PC17. If allocation of rural residential land is fair and equitable around all townships in the district, (i.e. not adversely impacted by PC8&PC9), then I am happy to withdraw my objection.
