

PROPOSED DISTRICT PLAN VARIATION 26

Hazardous Substances

Selwyn District Council
First Schedule Part I, Resource Management Act 1991

The Council has accepted Variation 26 - Hazardous Substances. This decision affects both the Township and Rural volumes of the plan. The variation: made changes to the requirements for the storage of hazardous substances; updated the plan to reflect other plans and legislation; and removed inconsistencies between the two volumes of the plan.

The Council has confirmed the variation along with the recommended clarifications and minor corrections. The plan is now amended in accordance with the decision.

This decision can be viewed online at www.selwyn.govt.nz and during normal opening hours at any of the Council's offices or libraries.
