

## PROPOSED DISTRICT PLAN VARIATION 28 Industrial and Business Activities

*First Schedule Part I, Resource Management Act 1991*

The Council has issued its final decision on Variation 28 – Industrial and Business Activities. The variation made changes to the plan to manage the potential adverse effects associated with industrial activities in all zones and business activities in the rural zone of the District.

The Council has accepted the part of the variation that dealt with industrial activities in all zones, along with recommended clarifications and minor corrections. The Council has decided to withdraw the part of Variation 28 that dealt with the effects of other non-rural and non-residential activities in the rural zone. This is being renotified as Variation 29.

The plan is now amended in accordance with this decision.

The decision can be viewed online at [www.selwyn.govt.nz](http://www.selwyn.govt.nz) and during normal opening hours at any of the Council's offices or libraries.
