**DIRECTIONS OF THE COMMISSIONERS****MINUTE 12****General Rural Zone Hearing**

- [1] We have received a written request from a representative for the Ellesmere Motor Racing Club (submitter 0382) who has asked that an extension be provided for the provision of their planning evidence due to their witness suffering a recent mountain biking accident. The requested extension was to Wednesday 2 March 2022 to either enable the planning witness to complete their evidence or for the Ellesmere Motor Racing Club to engage a replacement planning witness.
- [2] The GRUZ hearing is currently scheduled to commence on Monday 14 March 2022. We consider that the circumstances of the request are reasonable and that no party will be unduly prejudiced should the extension be allowed.
- [3] Consequently, the request is granted and we direct that the planning evidence for the Ellesmere Motor Racing Club is to be provided to the Hearings Administrator on or before Wednesday 2 March 2022.
