Amended as of 2 December 2022 – Right of Reply

### Notes to readers:

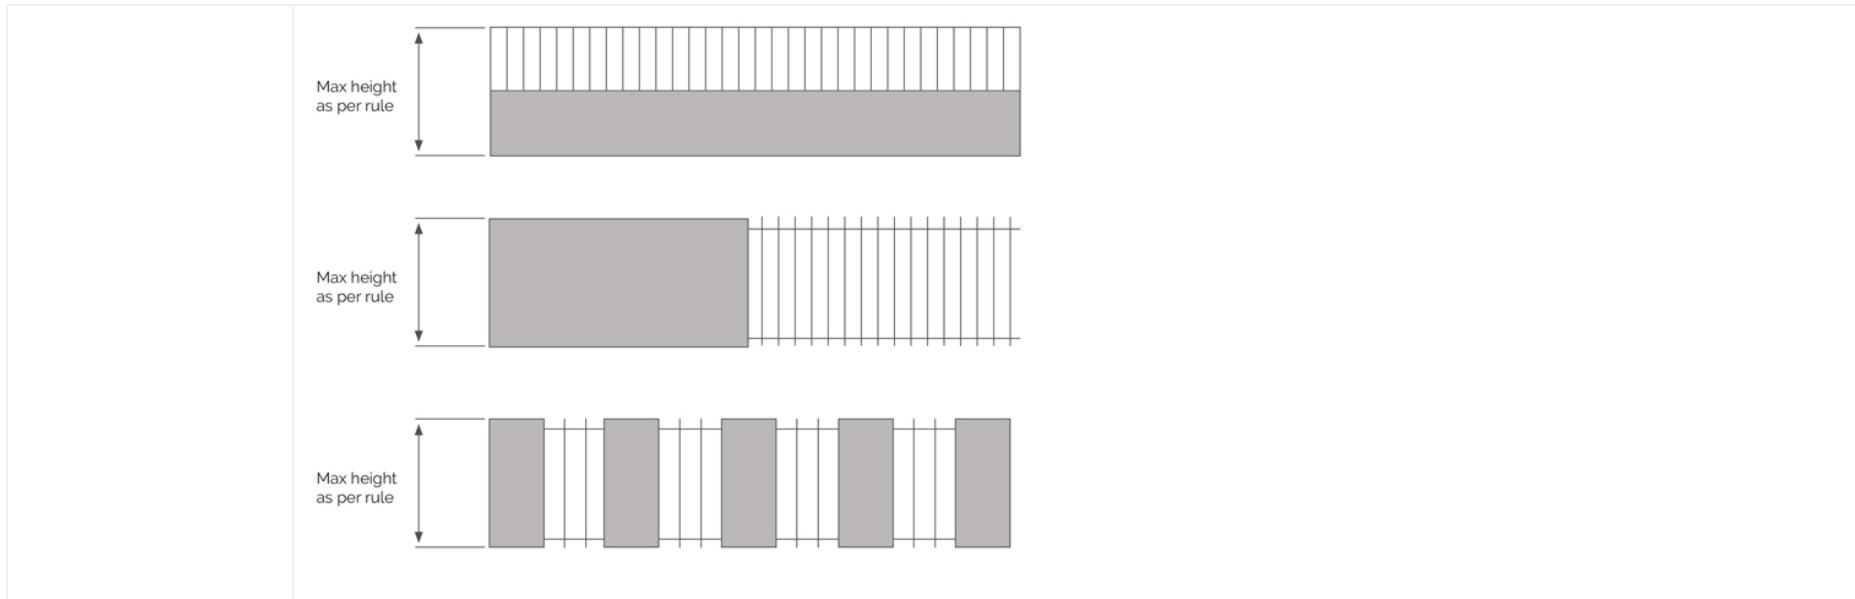

- Original amendments proposed in the s42A report are identified by way of underline or strikethrough. Double underlining indicates that a defined term.
- Additional amendments proposed in response to the Hearing Panels questions continue the above identification but are shown in **blue highlight**.
- Only provisions that have recommended amendments are included in the table below. All other provisions remain as notified.
- Recommended amendments shown in **grey highlight** are those made in relation to other hearings, as noted for each amendment. They are included here for context only
- Amendments arising from the Officer's Right of Reply report are shown highlighted **yellow**.

### Interpretation

Definitions	
<b>Supported residential accommodation</b>	The use of a residential unit(s) by people who live together and receive <u>supervision, assistance, care and/or wellbeing respite support</u> on a 24 hour basis <u>or less</u> to assist with independent living. This definition does not include retirement villages (and ancillary nursing and medical facilities) <del>or regular and ongoing home-based care and assistance to a dependent person</del> <sup>1</sup> .
<b>Visually permeable</b>	means the ability to clearly see through a fence, from one side to the other, and is determined by a comparison of the solid portion of the fence structure against any gaps provided within the structure, or between fence structures. <u>Examples of Visually Permeable Fencing</u> <sup>2</sup>
