Dear Submitter

Hearings have been scheduled based on the topics they fall into. We have identified 30 separate topics, and hearings for each of these topics will occur between 9 August 2021 and July 2022, except as otherwise affected by the Variation to respond to the requirements of the Resource Management (Enabling Housing Supply and Other Matters) Amendment Act 2021.

The hearings will all be held at the Selwyn Health Hub on Norman Kirk Drive, Rolleston, which is opposite the Selwyn District Council offices, and will commence at 9am each day and generally conclude at 5pm.

Want to address the Hearings Panel?

If you wish to address the Hearings Panel, you must contact the Hearings Administrator, Emma Robertson (hearings@selwyn.govt.nz) by **18 March 2022** to arrange a time to be heard. Please indicate the length of time you require for your presentation and advise the number of people attending with you. If you, or your representative, is unable to attend in person, we can arrange for that party to join the hearing via videoconferencing (Zoom). Please advise if you wish to appear by Zoom.

The confirmed detailed hearing schedule will be circulated on 25 March 2022 to those who have requested speaking time.

Please submit expert evidence and any other correspondence for the Hearings Panel to Emma Robertson by emailing hearings@selwyn.govt.nz, in accordance with the timeframes set out above.

If you have additional material to present at the hearing, please bring 15 copies to the hearing. The Hearings Panel has received copies of all submissions, so you do not need to provide additional copies.

What to expect at the hearing?

Due to the pre-circulation of evidence, the general expectation is that the Hearings Panel will proceed directly to asking questions of counsel (if a submitter is represented by counsel) and each witness who has prepared evidence. The exception to this will be for non-expert submitters who have not pre-circulated a written statement of evidence. These non-expert submitters will generally be given up to 15 minutes to speak to their submissions.

For further guidance, please refer to the Hearings Panel's directions regarding appearance times in Section 5 of [Minute 1 'Directions of the Hearings Panel'](#) on Council's website at www.selwyn.govt.nz/dprhearings.

Please note that each hearing day will be divided into four sessions (before morning tea, before lunch, before and after afternoon tea), and each submitter wishing to be heard will be assigned to one of those sessions.

More information

Please refer to the Council's webpage at selwyn.govt.nz/dprhearings for updates to the detailed hearing schedule, including any revision to the scheduled hearing dates as a result of COVID-19 restrictions, and to access all other information, reports and evidence relevant to this hearing. Submitters should be aware that hearings often run either late or early and that should be borne in mind when deciding when to arrive at the hearing venue.

Selwyn District Council has extended the vaccine pass requirement for visitors to all staffed Council facilities. To enter the hearings venue at the Selwyn Health Hub, you will need to provide proof of being fully vaccinated or an exemption for vaccination. The current social distancing and mask wearing practises will also still apply. If you are wanting to present at the hearing but you are not fully vaccinated, or you cannot provide proof of being fully vaccinated or cannot provide an exemption for vaccination, then please let us know as early as possible so we can arrange alternative methods to allow you to present (by way of videoconference e.g. Zoom).

Please contact me if you have any queries.

Yours faithfully
