
POST ENGAGEMENT PREFERRED OPTION UPDATE REPORT TO DISTRICT PLAN COMMITTEE

DATE: 24 October 2018

PURPOSE: Post Engagement Update on Preferred Options for:

- Research Sites (RU212)

PREPARED BY: Robert Love, Strategy and Policy Planner

EXECUTIVE SUMMARY

<i>Purpose</i>	To seek confirmation from the Committee that the Preferred Option for those Topics that received little or no feedback and where <u>no</u> change to the Preferred Option is recommended be endorsed for further development.
<i>Recommendation</i>	That the Committee confirms that the Preferred Option for the following Topic progress to the 'Drafting and Section 32 Evaluation Phase': <ul style="list-style-type: none">• RU212 – Rural - Research Sites
<i>DPC Decision:</i>	Topic progress to the 'Drafting and Section 32 Evaluation Phase': <i>RU212 – Rural - Research Sites</i>

1.0 Introduction

1.1 Overview of Engagement

In accordance with the Communications and Engagement Summary Plan that was prepared and endorsed by the District Plan Committee for each topic, consultation has been undertaken with the following parties.

Topic	Landowners/occupiers	Key stakeholders	Public
Research Sites - Rural	✓	✓	✗

2.0 Summary of Feedback Received

2.1 Research Site - Rural

Little feedback on the Preferred Option for this topic was received during the engagement phase identified in the above table. As such, the Topic Lead, Robert Love, has advised that no changes to the Preferred Option are recommended post engagement.

3.0 Recommended Option Post Engagement

The Project Team recommends that:

- The Preferred Option for the following topic that has been previously endorsed by DPC progress to the 'Drafting and Section 32 Evaluation Phase':
 - Research Sites - Rural
