4. The Existing Resource Consent

My application relates to the following resource consent number:

It was granted on (date):

It is due to lapse on (date)

It is not possible to apply for an extension of time after your resource consent has lapsed. A new resource consent will be required.

5. Extension Sought

The amount of additional time I require is:

(years / months)

Please note that the maximum period that can be granted to give effect to a consent is double that which applied to the original consent – eg if the original lapse period is 5 years, then a further 5 years is the maximum that can be granted. If the consent is not given effect to within this time, then this consent will lapse and a new resource consent will be required.

6. Substantial Progress

The details of the substantial progress that has been, and continues to be made towards giving effect to the consent are:

Please note that the maximum period that can be granted to give effect to a consent is double that which applied to the original consent – eg if the original lapse period is 5 years, then a further 5 years is the maximum that can be granted. If the consent is not given effect to within this time, then this consent will lapse and a new resource consent will be required.

7. Assessment of Effects

Include an assessment against the objectives and policies of the District Plan

Include an assessment on whether there are effects on adjoining properties / parties.
