

Under the Resource Management Act 1991

IN THE MATTER OF an application from KeaX Limited to construct and operate a 111ha solar array at 115 and 187 Buckleys Road, Leeston.

THIRD MINUTE OF THE HEARING COMMISSIONER – LATE FILING OF EVIDENCE

- [1] I am in receipt of material filed by Mr Raymond Henderson on behalf of the Brookside Submitters Group for the above Hearing. That material was filed with the Selwyn District Council in the afternoon of Tuesday 27 February 2024.
- [2] That material appears, on its face, to be the Attachments to Mr Henderson's evidence as appropriately filed on Friday 23 February 2024 as requested in **Minute 1**, as well as a number of errata as contained in that filed Evidence.
- [3] I do not consider that the errata and delayed Attachments in themselves constitute any prejudice to any party. Subsequently I record at the outset that the Hearing will continue as set out in Minute 1, commencing Monday 4 March 2024 at 9am at the Taumutu & Tauwharekakaho Rooms, Selwyn District Council HQ.
- [4] However, I invite the parties to advise no later than **5pm 28 February 2024**, c/- rc.hearings@selwyn.govt.nz as to the following:
- a. Whether they consider themselves to be prejudiced in any way by the late receipt of Mr Henderson's finalised and complete evidence;
 - b. The manner in which such prejudice is considered; and
 - c. The request for remediation, if required.
- [5] I will then issue a further Minute accordingly, noting in advance the stated preference in [3] that the Hearing will unlikely be delayed.

Matt Bonis

Independent Hearing Commissioner
