

Notice of an application for a resource consent

Section 95B, Resource Management Act 1991

Selwyn District Council has received an application from Southern Screenworks Limited for a Resource Consent (RC245428 & RC245429).

Resource consent type:

Land use

Description of the proposed activity:

Land use consent RC245428 is sought to expand an existing quarry that does not comply with setback and noise standards within the General Rural Zone.

Land use consent RC245429 is sought to vary conditions of RC125013 to enable:

- The removal of quarry walls, batters, bunds, and existing landscaping to allow Screenworks to work from the existing quarry into the expansion stages, allowing extraction to continue below ground level and as a continuation of the existing operation;
- Process material from the expansion area within the existing quarry;
- Amend the frequency with which processing can occur;
- Commence works at 7 am rather than 7.30 am, to align with the Partially Operative Plan's daytime hours for noise; and
- Other amendments, and any consequential amendments, to the consent conditions to reflect the proposed expanded quarrying activity.

Location of the proposal:

50 Bealey Road, Kirwee

The application includes an assessment of environmental effects.

The Council has deemed you to be an affected party to this resource consent application. As an affected party to the application, you may make a submission.
