

# Notice of an application for a resource consent

Section 95B, Resource Management Act 1991

Selwyn District Council has received an application from Winstone Aggregates Limited for a Resource Consent (RC245566, RC245567 & RC245568).

**Resource consent type:**

Land use

**Description of the proposed activity:**

Land use consent is sought to expand the existing Winstone Wheatsheaf quarry, together with associated extraction of aggregates, rehabilitation of the site, associated vehicle movements and supporting activities including effects mitigation, into an additional area of approximately 4 ha of land known as the Sullivan Block. The consent also requires changes to the conditions of RC145099 and RC215749 to align this consent with rehabilitation, landscaping, and other aspects of the Sullivan Block expansion.

**Location of the proposal:**

50 Selwyn Road, Broadfield

The application includes an assessment of environmental effects.

The Council has deemed you to be an affected party to this resource consent application. As an affected party to the application, you may make a submission.
