\*The type of consent is: : Subdivision Consent The location of the consent is: :  
The proposed activity/change is: :  
\*The specific part(s) of the application that my submission relates to are: : Application is in regards to the Pak and Save supermarket going into Rolleston \*My submission is in: : Support \*My Submission is: : I have not done a submission before, but the flyer I got in my mailbox was from what seems like a very disgruntled person.. it was certainly a flyer that leaned towards anti pak and save and anti progress Rolleston.  
there are in my opinion many more positives for a pak and save then there is negatives.  
Levi road may become a little more congested, but there are many ways into Rolleston central now, you can bypass Levi road all together if you wish. Countdown and New world do not cut the mustard when it comes to supply..  
Countdown is so busy at times and shelves are so empty, we are forced to drive to Hornby pak and save anyway.  
Rolleston needs this pak and save, with many people now renting in Rolleston and rents are upwards of \$500 - \$600 it is only fair that those people get to have the best possible prices in their weekly grocery bill.

\*I seek the following decision from the Selwyn District Council: : I think its only fair on the people of Rolleston that a Pak and Save supermarket is allowed on the CNR of Levi and Springston Rolleston roads.  
Closely followed by a Mitre 10 or Bunnings, ice Rink for public sessions and ice hockey, garden centre like oderings, maybe even a mall like Riccarton in the near future.. Rolleston is the town of the future.
