**** Submission ****

*The type of consent is: : Land Use Consent The location of the consent is: : 157 Levi Road, Rolleston The proposed activity/change is: : To build a Pak 'N' Save supermarket *The specific part(s) of the application that my submission relates to are: : The entire proposal.

*My submission is in: : Opposition

*My Submission is: : I am completely against the consenting of Pak 'n' Save or any supermarket being built on Levi Road. There are a number of reasons for this. Firstly, the traffic at peak times on Levi Road towards the roundabout from any side would be worsened beyond its current state, which is already difficult to manoeuvre. Levi Road is the completely wrong location, being in the middle of a residential area, whereas a location in the IZone would actually suit a new sprawling supermarket and adjoining carpark better. Levi Road is the wrong location for this sort of enterprise - it would create too much disruption, noise and light pollution for the residential area surrounding Levi Road. Please do not allow this development to go ahead in this location. Please move it to the IZone or somewhere that is not already so developed.

*I seek the following decision from the Selwyn District Council: : To disallow the consent for the Levi Road location.
