**** Submission ****

*The type of consent is: : Land Use Consent The location of the consent is: : CORNER LEVI RD AND LINCOLN ROLLESTON RD The proposed activity/change is: : NEW PAK N SAVE SHOP *The specific part(s) of the application that my submission relates to are: : THE BUILDING OF A LARGE SUPER MARKET.

*My submission is in: : Opposition

*My Submission is: : I am opposed to the building of a large super market in a residential area. When I chose to build in rolleston I chose an area away from retail, now I'm going to have a great big yellow warehouse shop at the end of my street, [REDACTED]. It is all ready hard enough to get out on to Levi road at curtain times of the day. This shop is going to increase the traffic by a lot. This great big yellow building is going to do nothing for the area apart from depreciating the value of our neighbourhood. The light pollution for the people close to the site will be very annoying not to mention the noise from large trucks and extra cars.

A shop like this would be more suited over in the Izone where there is more room, better access for the large trucks for delivers and vehicle going too and throw. Thats what the Izone is there for. I ask you , would you want a pak n save at the end of your street. I strongly oppose the building of this shop in this location.

*I seek the following decision from the Selwyn District Council: : I DONT WANT THE BUILDING THERE FOR THE REASOS IV'E GIVEN BUT IF ITS THERE THE BUILDING NEEDS TO BLEND INTO THE ENVIRONMENT. PUT SOME THOUGHT INTO THE AESTHICS OF THE BUILDING, I DO NOT WANT TO SEE A GREAT BIG YELLOW BOX AT THE END OF MY STREET.
