I'm super excited for the new development, not only does it provide great work opportunities for the community, within walking distance for most, it would be nice to have a cheaper alternative to New world and Countdown, we do our Pak n Save shops weekly in Riccarton and with the fuel being taken into account I'm still saving on my groceries.

What would be really nice is alternative bus stops to be considered as I don't always have a car available and carrying groceries 5km gets tiresome, specially with a toddler 

Tick me for a 'yes please '

Kind regards  
Margaret
