**** Submission ****

*The type of consent is: : Land Use Consent
The location of the consent is: : 157 Levi Road
The proposed activity/change is: : Pak N Save Supermarket
*The specific part(s) of the application that my submission relates to are: : Impact on the community
*My submission is in: : Support
*My Submission is: : I believe this business will be an asset to the local Rolleston and wider Selwyn community. It presents more job opportunities for the area both in the construction phase and once it is opened. It also provides another option for consumers and will ease some of the congestion at the other supermarkets. The town is growing so fast and we need to make sure that we are supporting the building of new infrastructure to support this population. The lockdown lines at the supermarkets were clear indicators that there are not enough supermarket services in our town and we are in need of another.
*I seek the following decision from the Selwyn District Council: : I would like to see the proposed Rolleston Pak N Save Supermarket development approved by Council.
