**** Submission ****

*The type of consent is: : Land Use Consent The location of the consent is: : 157 Levi road The proposed activity/change is: : Proposed Rolleston Pakn Save supermarket *The specific part(s) of the application that my submission relates to are: : A concern about the impact this will have on the local area *My submission is in: : Opposition *My Submission is: : We do not need 3 supermarkets within 2km radius. The industrial estate on Hoskyns road would be better The queues of traffic on this road are already very large and long at peak times. A concern about school children crossing an already busy area The roads are not suitable for heavy vehicles This is a residential area and there are far better places to put a supermarket.

*I seek the following decision from the Selwyn District Council: : This plan should not be allowed to go ahead due to the reasons already stated. It is an unsuitable site and there are safety implications.

Night time deliveries will impact residents nearby - noise and light pollution The amount of traffic will be unacceptable in this location Supporting Information: : IMG_0189.pdf, type application/pdf, 349.0 KB
