\*The type of consent is: : Land Use Consent  
The location of the consent is: : Levi Road  
The proposed activity/change is: : Foodstuff - building of Pack n Save  
\*The specific part(s) of the application that my submission relates to are: : All parts  
\*My submission is in: : Opposition  
\*My Submission is: : I strongly oppose the building of a Pack n Save supermarket in the proposed location for the following reasons:  
1. Increased traffic in the area from people travelling from other areas of Selwyn to use the facility.  
2. Increased traffic within a residential area.  
3. There are already 2 supermarkets in very close proximity of the site.  
4. Noise levels from general activity and delivery trucks.  
5. Not appropriate for area.  
6. Rolleston has a number of empty retail units that could be utilised by smaller businesses, for example a butcher, green grocer, rather than having a town taken over by monopolising organisations, who destroy high streets.  
7. A more suitable site could be sought elsewhere, for example in the i zone where direct access from the motorway would take traffic away from the centre of Rolleston rather than adding to the already increasing congestion.

\*I seek the following decision from the Selwyn District Council: : Oppose all consent for the building of Pack n Save on this site and suggest an alternative out of town option.
