

# Upper Selwyn Huts Current Wastewater Infrastructure Issues

11<sup>th</sup> May 2018

# Current Wastewater Infrastructure Issues

## Private Connections

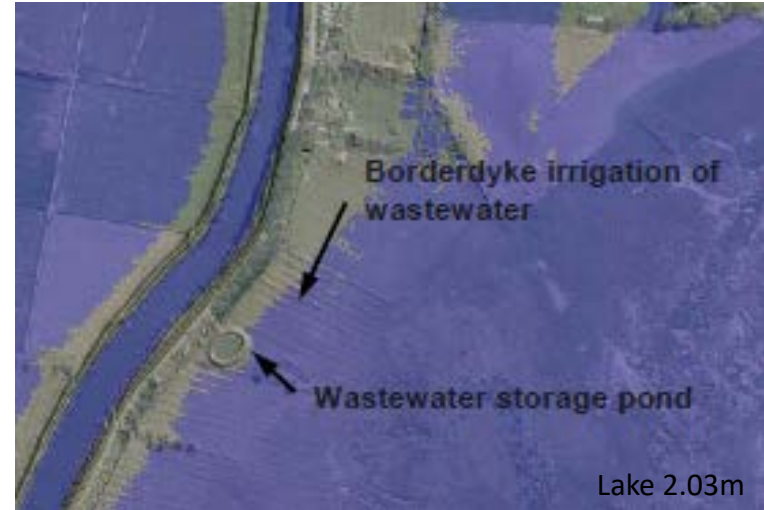

- Low gully traps (inflow)
- Illegal stormwater connections (inflow)

## Reticulation

- End of useful life (pipework and settling tank)
- Impacted by high ground water levels (infiltration)

## Treatment and Disposal

- Impacted by high lake levels
- Capacity (due to inflow and infiltration)

# Pond Dynamics
