Corporate Floorball Rules

- Game duration: 2 x 10 minute halves, 2 minutes for half time
- Teams to consist of 4 field players and 1 goalie (additional players optional for subs).
- To start a game, one player from each team stands opposite each other in the middle of the court. The sticks are placed parallel to each other on the ground, with the ball put in between. When the referee blows the whistle, the two players both try to win the ball for their team. This is called a Face Off and is also used to restart the game after a goal has been scored.
- The field is surrounded by a rink and the ball can be bounced off the rink. There is no outs unless ball goes out of the rink.
- Goals are 1.6m wide and 1.15m high and placed about 3m inside from the back line. Play can continue behind the goal. There is no offside and goals can be scored from anywhere.
- Goalies play without a stick and can catch the ball within the goalie crease. Goalies must not hold the ball for more than 3 seconds and when throwing the ball, it must hit the floor before passing the centre line.
- Both sides of the blade can be used to play the ball.
- You are allowed to stop the ball with your foot, leg or body. The ball maybe kicked, but no more than once. The ball must not be played with the hands, arm or head.
- You are not allowed to touch the ball with the stick if it is above knee level.
- For a shot, the forwards and backwards swing needs to stay below waist height.
- No form of pushing or physically tackling the body of a player are allowed.
- You are not allowed to:
 - jump and play the ball at the same time
 - play the ball when lying on the ground
 - tackle through the legs
 - hit or lift an opponent's stick
- After a foul, the non-offending team receives a free hit.
