For safety reasons all children must be taught to swim and if the Springfield and Sheffield schools have to travel to Darfield their opportunity to learn is limited as most of their allotted time would be taken up with travel.

The lack of maintenance is a disgrace and the Selwyn Council have been very negligent.

The Sheffield Pool is a Memorial Pool and has special meaning to a lot of local people and would have been built with money donated by the residents of the area, and the land it is built on was donated.

If the pool is closed it will be a big loss to the community and would be extremely hard to replace.

It has been a memorial pool being run by the community then and it worked well, we all pitched in when maintenance had to be done

2. Are you aware of a community-run legal entity that you consider suitable to own and operate the Sheffield Memorial Pool?

Please add your comments

The Kouhai Pass Reserve Trust is willing to act as a legal entity until the Sheffield Memorial Working Group becomes the legal entity comes on board

My age is in the old age group  
Because there is going to be a lot more houses to be built and the pool is needed to stay. School uses it too and if you use stop signs for children to pass to keep safe.

4. Do you have any other comments about the Sheffield Memorial Pool?

I know safety is an issue I know there is a crack in the bottom of the pool has been fixed. The pool is a memorial pool for the soldiers that went to war. I know parking is an issue and people entering the 70km must stick to their speed limit.

I support the Sheffield Memorial pool Working group alongside Kawai Pass Reserve Trust as legal entity to take over the pool. The funds held by SDC to demolish the pool need to be redirected to the working group so they can repair the pool due to lack of investment in the pool

12 February 2025

To whom it may concern,

The Sheffield School has an obligation to deliver quality water safety education to its students through the New Zealand Curriculum and as such has a critical interest in retaining a swimming facility in the community.

The Sheffield School has reviewed the viability of using the Darfield Pool to deliver its curriculum priorities however this option presents significant challenges to the school including transport logistics and costs (\$10,000 per annum), significant time out of the classroom for travel and the simple fact that there aren't any spare timeslots available during school hours to fit Sheffield students in among other users during the week.

***Therefore, the Sheffield School Board is in favour of the council returning the Sheffield Memorial Pool back to the community.***

The School Board supports either of the following two options,

- the Kowai Pass Reserve Trust to act as the interim legal entity for council to transfer the asset to until the Sheffield Memorial Pool Working Group has the opportunity to establish themselves as a legal entity to transfer the asset to.
- the Sheffield Memorial Pool Working Group are given the opportunity to establish themselves as a legal entity for the council to directly transfer the asset to.

The School Board has conducted independent reviews of what is required to repair the existing pool facility alongside available funding streams. The School Board strongly recommends the council transfers the \$160,000 worth of remaining funds set aside for decommissioning to the legal entity along with the pool asset, to enable them to undertake the necessary repairs due to lack of investment in the pool facility in recent years.

With a passionate, dedicated and resourceful community the Sheffield School has trust and confidence in the Kowai Pass Reserve Trust and/or Sheffield Memorial Pool Working Group to take over ownership of the pool asset and to successfully operate and maintain the facility for the community into the future.

The Sheffield School Board would like the opportunity to present in more detail directly to the Selwyn District Council hearings panel.

Thank you for your consideration.

It is a much needed facility for the residents of Sheffield areas. It should not be demolished and Rolleston's facilities should not be the prime consideration for this area. We are all rate payers & deserve equal amenities, not just Rolleston!

### Questions

☒ Yes ☐ No

*Please add your comments*

I support the Sheffield Memorial Pool Working Group alongside the Kowai Pass Reserve Trust as the legal entity to take over the pool.

2. Are you aware of a community-run legal entity that you consider suitable to own and operate the Sheffield Memorial Pool?

☒ Yes ☐ No

*Please add your comments*

The Kowai Pass Reserve Trust is very suited to fulfil the requirements needed to take the position of owner and operator of the Sheffield Memorial Pool.

3. Are you interested in helping this group with the ongoing operation of this facility?

☒ Yes ☐ No

Please add your comments

I believe I can help in some  
way with working bees at  
suitable times. (age and  
health permitting)

4. Do you have any other comments about the Sheffield Memorial Pool?

☒ Yes.

The funds held by Selwyn District  
Council for demolition of the pool  
should fairly go to the Working  
Group for repairing the pool where  
the Council allowed the facility  
to badly degrade over the past  
few years, as there won't be any  
need for a demolition fund.

### Questions

1. Do you support the transition of the Sheffield Memorial Pool asset from Council ownership and operation to a community-run legal entity?

☒ Yes ☐ No

Please add your comments

It would be a real shame to lose the pool for both the community but especially the school. It's a historic pool and given the money invested in the changes it seems wrong to give up on this resource.

I will do what I can  
to help out-

4. Do you have any other comments about the Sheffield Memorial Pool?

Learning how to swim  
is so crucial and  
for the school & community  
to its essential to have a  
pool that is accessible close  
as time is often a factor ~~when~~  
and travelling to a pool further away takes time and money.
