

# Do you have what it takes to become a Civil Defence Community Response Team (CRT) volunteer?

SELWYN DISTRICT  
EMERGENCY MANAGEMENT

We're looking for passionate Selwyn people to help their local community during an emergency, specifically Brookside/Irwell, Greenpark, Killinchy, Norwood, Weedons, Broadfield, Coalgate, Motukarara, Springston and Windwhistle areas.

The role of a CRT is to check on the most vulnerable people, gather information about what has happened/is happening, and open a drop-in Emergency Centre if required. Volunteers are a friendly face to the public, treating people with compassion and respect in emergency situations.

If you're available to attend an annual training and complete a Police Vetting check, then we want to hear from you.
