Rates remission policies

Remission for community, sporting and other organisations

The Council provides 50% remission of general rates for rating units owned by the Council or owned and occupied by a charitable organisation, where the property is used exclusively or principally for sporting, recreation or community purposes.

Remissions of uniform annual general charge (UAGC) and targeted rates for libraries and recreation reserves

The Council provides remission for the above rates to the following properties:

- a. Sports, community-based or similar organisations are exempted from 50% of the uniform annual general charge, and targeted rates for libraries, recreation reserves and community centres.
- b. Ratepayers who own a dwelling and vacant land in the Selwyn District are exempted from the libraries targeted rate on the vacant land.
- c. Ratepayers, where vacant land can be identified as integral to an existing operation of their business in the Selwyn District, are exempted from the uniform annual general charge and the libraries targeted rate on the vacant land.
- d. Ratepayers who own a commercial, industrial or service based property in the Selwyn District that does not have dwelling facilities, are exempted from the targeted rates for swimming pools, recreation reserves and community centres.
- e. Ratepayers who own a dwelling and a commercial, industrial or service based property in the Selwyn District that does not have dwelling facilities, are exempted from the targeted rates for libraries. The exemption to be on the commercial, industrial or serviced based property.
- f. Properties owned by the Royal New Zealand Plunket Society shall not be charged the uniform annual general charge or general rates while used one hundred percent as a child care facility.
- g. All properties of the Plunket Society shall be charged for all services as provided as separate items by the Council (e.g. water, refuse, sewer, etc.).
- h. 50% remission of general rates on lodges owned by the Freemasons of New Zealand.

The exemptions in (a) to (h) above do not limit a ratepayer's entitlement to exemptions under the contiguous property rules of section 20 of the Local Government (Rating) Act 2002.

Remission on rating units affected by natural calamity

The Council may remit rates either wholly or in part where a rating unit has been detrimentally affected by a natural calamity to an extent the Council considers that it would be unfair or unreasonable to require that the rates be paid as assessed. Applications must be made in writing and signed by the owner(s) of the rating unit.

Scout group hall rating

The Council will allow a 50% remission of uniform annual general charge and general rates for all scout groups.

School and service club endowment land

School and service club endowment plantations within the Selwyn District Council that are planted on rateable property shall be granted a 50% rates remission.

Remission of rates on land protected for natural, historic or cultural conservation purposes

Ratepayers who own rating units which have some feature or cultural, natural or historic heritage which is voluntarily protected may qualify for remission of rates.

Remission of rates on land covered by indigenous flora or fauna

Ratepayers who own rating units which are covered by the identified significant indigenous flora or fauna, landscape or geological feature may qualify for remission of rates.

Remission of penalty on overdue instalment

Ratepayers shall be allowed one overdue instalment in 24 months, penalty free, on application.

Remission of penalty if rates paid on second instalment

If the full year's payment of rates is made on the second instalment in any year, any penalty incurred for late payment on the first instalment shall be remitted. (Please advise us if you are choosing this option.)

Postponement policy

Owner-occupiers who have limited capacity to pay their rates from their income and are older (aged over 65 years), experiencing extreme hardship or otherwise in special circumstances may qualify for rates postponement.

Notice of Environment Canterbury rating policies

The same rating remission and postponement policies apply for Environment Canterbury rates.

Inspection of the rating information database

The rating information database may be inspected in accordance with Section 38 of the Local Government (Rating) Act 2002 at any of the Selwyn District Council service centres. Ratepayers have the right to object to any of the information included in the rating information database and rates records.

Rates rebate scheme

If you own your own home and your income is less than \$30,100 you could be entitled to a rebate of up to \$750. Although a ratepayer's income might exceed the income threshold a rates rebate could still be available, depending on the rates amount and number of dependants.

Application forms for rates rebates are available from our service centres, or can be downloaded from govt.nz/rates-rebate

When applying for a rates rebate you will need:

- a. Your rates notice for the current rating year
- b. Information about what your income (before tax) was for the tax year ended 31 March 2023.
- c. Information about what your partner/joint homeowner's income was if he/she was normally living with you on 1 July 2023.

If you are the owner of an owner-occupier flat, and your name is not on the rates bill, you must have a letter from the person whose name is on the rates bill stating what the total rates are, and how much you pay towards them.
