Road closure notice

Masefield/Rolleston Drive intersection upgrade

From Sunday 27 May to the night of Thursday 31 May, Masefield Drive will be closed at nights between the intersection of Rolleston Drive and Countdown. This road closure will be in place between 9pm and 7am each night to aid pavement works, subject to weather.

The work area will be milled and then asphalted with new pavement while this road closure is in place.

This work needs to be done at night due to high volumes of traffic at the intersection during the day.

Night work:

You will notice light and noise coming from the site.

On Sunday 27 May and Monday 28 May, milling will occur, subject to weather. Milling is a noisy and disruptive activity. This work is intended to be completed as quickly as possible.

Traffic impact:

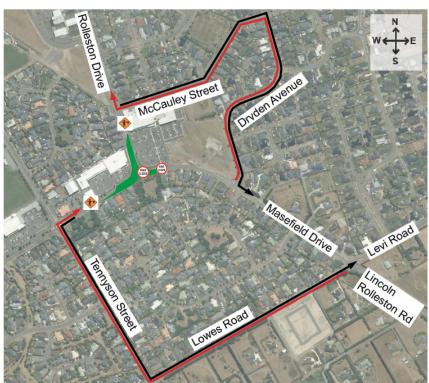

Stop/go will be operating from 7pm to 7am on Rolleston Drive.

Masefield Drive will be closed between 9pm and 7am and detours will be in place during this time.

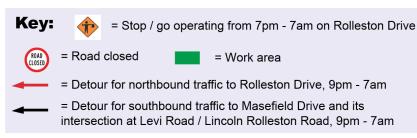

Southbound traffic on Rolleston Drive will be detoured using McCauley Street and Dryden Avenue to Masefield Drive. Traffic on Rolleston Drive will be also be detoured to Tennyson Street and Lowes Road, to the intersection of Masefield Drive/Levi Road/Lincoln Rolleston Road.

Northbound traffic at the intersection of Masefield Drive/Levi Road/Lincoln Rolleston Road will be detoured using Lowes Road and Tennyson Street to Rolleston Drive. Traffic on Masefield Drive will be detoured down Dryden Avenue and McCauley Street to Rolleston Drive.

Lane closures and turning restrictions will be in place. Please be on the lookout for changes in traffic management and follow signage on site.
