Road repair works: Blakes Road

What	Road repair work
Where	Blakes Road between Carpenter Drive and Shands Road
When	Monday 16 January until Friday 3 February 2023 7am-6pm (weather permitting)
Contact	Isaac Construction- Site Engineer Nicole Smith nsmith@isaac.co.nz (03) 359 9199, 0272593015 Chris Forde cforde@isaac.co.nz 0274450876

We are writing to let you know that Isaac Construction will be doing some work starting from Monday 16 January 2023 for approximately three weeks. This work is mainly road repairs and resurfacing.

This work will require a one-way system to be installed along Blakes Road (heading towards Shands Road) from Century Drive to Shands Road. This will be in place for the duration of the work period. Please follow the posted detour route.

There will also be a repair across the entrance to Aberdeen Road at the Blakes Road intersection that will need traffic light control. This work will take place over 2-3 days (weather permitting) to minimise disruption.

If your residential driveway is within the working area, please follow the one-way system when entering and exiting your driveway. Expect some driveway access restrictions at times. Our crews will communicate with you directly if there will be any long-term driveway disruption.

The timing of this work is subject to the completion of the watermain work further along Blakes Road (towards Springs Road). This is planned for early January.

A map of the work is included with this letter.

If you have any questions or concerns, or think there is something we should know please contact Nicole Smith on nsmith@isaac.co.nz (03) 359 9199, 0272593015 or Chris Forde cforde@isaac.co.nz 0274450876

Thank you for your patience whilst we carry out this work.

Isaac Construction
