Where	Intersection of SH1 and Aylesbury Road/Burnham Road
When	From Monday 9 January to 19 February 2023
Why	To install a new drinking water pipe
Contact	CORDE 03 318 8320

We are writing to let you know that Selwyn District Council will be carrying out works in your area to install a new watermain. This work involves ramming the new pipe under the State Highway and KiwiRail networks at the intersection of SH1 and Aylesbury Rd/Burnham Rd. The contractor for this work is Corde Ltd.

Completion of the works requires complex methodologies and sequencing to ensure the installation can be physically completed while allowing SH1 and KiwiRail to remain open throughout the works duration. To do this work while keeping SH1 facilitate this there will be speed reduction on SH1 itself and impacts to traffic flow on surrounding roads (with traffic configurations at the works location summarized below, and associated detours as highlighted in the supporting diagrams).

Stage 1: Initial Excavation and ramming (From 09/01/23 for expected duration of 2-3 weeks)

SH1/Aylesbury Road/Burnham Road Intersection:

- Monday – Friday (6am – 7pm)
 - Aylesbury Road (Northbound access off SH1 only)
- Out of Hours (7pm to 6am weekdays and all weekend)
 - Aylesbury Road (Fully closed from SH1 to Godley Road)

Detours:

- *Refer to Figure 1*

Stage 2: Exit pit excavation and pipe pulling, then reinstatement (to follow Stage 1 Late January for 2-3 weeks)

SH1/Aylesbury Road/Burnham Road Intersection:

- Monday – Friday (6am – 7pm)
 - Aylesbury Road (Northbound access off SH1 only)
 - Burnham Road (Southbound access off SH1 only)
- Out of Hours (7pm to 6am weekdays and all weekend)
 - Aylesbury Road (Fully Closed)
