Springston-Rolleston Road Upgrade

What	Upgrades to drains, footpaths and accessways
Where	Springston Rolleston Road between Lowes Road and Broadlands Drive
When	From Monday 9 January to Monday 30 January
Why	To improve stormwater drainage and the safety of vehicle and pedestrian access into Rolleston College and the Foster Park dog park between Lowes Road to Broadlands Drive on Springston Rolleston Road
Contact	Corde Project Manager Marc Bos (027 249 5395)

We are writing to let you know that Selwyn District Council will be carrying out works in your area to upgrade the shoulder, footpath and accessways of Springston Rolleston Road along the frontage of the Foster Dog Park and Rolleston College side of the road.

The work will require closing the north bound lane (on the park and college side of the road). During this work a one-way system will be in place on Springston Rolleston Road, with the road closed to northbound traffic (towards the town centre and SH1) and open only to southbound traffic (away from the town centre towards Lincoln). A detour will be in place for northbound traffic. A map of the roadworks is included on the back of this notice. The contractor for this work is Corde

When the works are outside your property, access to your driveway could be restricted, please speak to the work staff and they will organise for you to get in or out of your property safely. We will try and keep traffic, dust and noise to a minimum. Your water and wastewater supply won't be affected.

During the works, vehicle access in and out of the Rolleston College and Foster Park dog park car park will not be possible from Springston-Rolleston Road. We will maintain pedestrian access but there may be detours in place for these works

We apologise for any inconvenience this may cause and thank you for your patience as we carry out this work.

If you have any questions, please contact the CORDE Project Manager Marc Bos (027 249 5395) or the Council roading team on 0800 SELWYN (735 996) or email contactus@selwyn.govt.nz.

Thank you,

CORDE

Selwyn District Council
