

Blakes Road and Shands Road intersection upgrade

What	Construction of a new roundabout, including cycleways and upgraded road layout
Where	Intersection of Blakes Road and Shands Road
When	08 March 2021 to 31 August 2021
Contact	Isaac Construction – Project Communications: Jessica Swift – e: jswift@isaac.co.nz p: 027 207 4631

We are writing to let you know that the Council will begin construction work from the week commencing 08 March 2021 on upgrading the Blakes Road and Shands Road intersection. This will involve beginning the main construction works on a new roundabout to help manage safety and traffic flows in the area.

We will also be widening Blakes Road from north west of Hinterland/Cairnbrae Drive, up to the intersection with Shands Road and installing a cycleway and minor changes to the road layout.

During the construction works the following traffic management will be in place:

- Shands Road will have speed reductions in place to manage two-way traffic flows through the intersection with Blakes Road.
- There will be no entry into Blakes Road from Shands Road, traffic to detour down Trents Road.
- There will be a one-way system in place on Blakes Road for north-bound traffic.
- Access will be maintained on Blakes Road from property #169 to #274, lanes will be narrowed and speed reductions will be in place.
- Some stages of the construction works will require manual traffic control for short, intermittent periods of time.
- Cyclist will be merging with the traffic, please exercise extreme care.

A map of the road work area is included on the back of this letter.

Bi-weekly updates for the project will be posted online at the following web address:
<https://isaac.co.nz/projects/ongoing>.

Any changes in traffic management will be posted online and advised via letter drop.

If you have any questions or concerns, or think there is something we should know please contact Jessica Swift at Isaacs on jswift@isaac.co.nz or 027 207 4631.

Thank you for your patience whilst we carry out this work.
