Springs Road and Marshs Road intersection upgrade

What	Construction of a new roundabout, including cycleways and upgraded road layout
Where	Intersection of Springs Road and Marshs Road
When	19 April 2021 to 2 July 2021
Contact	Isaac Construction – Project Communications: Jessica Swift – e: jswift@isaac.co.nz p: 027 207 4631

We are writing to let you know that the Council will begin construction work from the week commencing 19 April 2021 on upgrading the Springs Road and Marshs Road intersection. This will involve beginning the main construction works on a new roundabout to help manage safety and traffic flows in the area.

During the construction works the following traffic management will be in place:

- Springs Road will have speed reductions in place to manage two-way traffic flows through the intersection with Marshs Road.
- There will be no entry into Marshs Road from Springs Road:
 - Access to Healthy Harvest and Egmont Commercial from Springs Road must detour down Hodgens Road > Fountains Road and back onto Marshs Road
 - Access to Waste Management, Texture Plants and Lush Lawns must detour down Trents Road / Halwells Junction Road > Shands Road and back onto Marshs Road
- There will be a one-way systems in place for traffic on Marshs Road heading towards Springs Road from Marshs Road property #315 through the intersection to property #348.
- Some stages of the construction works will require manual traffic control for short, intermittent periods of time.
- Cyclist will be merging with the traffic, please exercise extreme care.

A map of the road work area is included on the back of this letter.

Bi-weekly updates for the project will be posted online at the following web address:
<https://isaac.co.nz/projects/ongoing>.

Any changes in traffic management will be posted online and advised via letter drop.

If you have any questions or concerns, or think there is something we should know please contact Jessica Swift at Isaacs on jswift@isaac.co.nz or 027 207 4631.

Thank you for your patience whilst we carry out this work.
