

# Your rubbish bin is for items not accepted in the organics and recycling bins...

EXCEPT for the following hazardous items:

If you are unsure about an item, contact us.

0800 SELWYN (735 996)  
[selwyn.govt.nz/rubbish](http://selwyn.govt.nz/rubbish)

Household volumes of these hazardous items can be dropped off at the Pines Resource Recovery Park for safe processing at no cost.

\*Contact Police Arms Office if you have items such as fireworks, ammunition or explosives for disposal.

Wheelie bins containing hazardous waste will not be collected.

Repeated contamination may result in withdrawal of your kerbside collection service.

Let ash cool for at least five days before bagging and disposing of it in your rubbish bin.

Consider whether items you are disposing of could be donated instead.
