

# Selwyn's Easy Recycling Guide

## These items go into the recycling bin loose:

- Cardboard and paper
- Rigid plastic bottles and containers 1–7
- Aluminium cans, tins, kitchen and bathroom aerosols
- Glass bottles and jars

All items to be empty and clean, cardboard flattened and lids in rubbish.

## These items go into the rubbish bin:

- Soft plastics (any plastic you can scrunch into a ball)
- Takeaway coffee cups
- Clothes and toys
- Polystyrene
- Pans and foils

Check the sticker under the yellow bin lid – if it's not listed, then it needs to go in the red bin.

## Now more than ever we need your help to get recycling right.

It's vital that we reduce contamination in the recycling collections.
