Darfield and Kirwee to Pines WWTP Pipeline Construction

What	Construction of the new Darfield and Kirwee to Pines WWTP wastewater pipeline.
Where	Ansons Road – From Miles Road to Pole Road
When	From Wednesday 06 April to June 2022
Why	To connect the upcoming Darfield and Kirwee reticulated wastewater systems to the Pines Wastewater Treatment Plant
Contact	Corde PM Fintan Harvey (027 294 7764)

We are writing to let you know that Selwyn District Council will be carrying out works in your area as part of the construction of a new wastewater pipeline between Darfield and the Pines Wastewater Treatment Plant.

The work will require that Ansons Road is closed between Miles Road and Pole Road. There will be a detour in place and traffic management on Ansons Road and surrounding roads.

There are two parts to the work on Ansons Road, standard pipe installation and a siphon under the Central Plains Water pipeline. We need to close the road, because all of the work on Ansons Road is in the road and requires deep excavations, which restricts access.

When the works are outside your property, access to your driveway could be restricted, please speak to the work staff and they will organise for you to get in or out of your property safely. We will try and keep traffic, dust and noise to a minimum. Your water and wastewater supply won't be affected.

Every effort will be made to allow access for farm vehicles that cannot drive the detour, however this will be by exception and must be agreed prior with the Corde supervisor. Due to tight working area and health and safety risks it is not possible to have full time access for vehicles while the road is closed.

We apologise for any inconvenience this may cause and thank you for your patience as we carry out these works. Further information about this project and a live map of the construction can be found at <https://www.selwyn.govt.nz/services/water/wastewater/darfield-wastewater>.

The contractor for this work is Corde Construction.

If you have any questions please contact Fintan Harvey (Project Manager) on 027 294 7764, or the Council Water Services team on 0800 SELWYN (735 996) or email contactus@selwyn.govt.nz.

Thank you

CORDE
