## Darfield and Kirwee to Pines WWTP Pipeline Construction

---

<b>What</b>	Construction of the new Darfield and Kirwee to Pines WWTP wastewater pipeline.
<b>Where</b>	Aylesbury Road – From Wards Road to Miles Road
<b>When</b>	From Monday 07 February to March 2022
<b>Why</b>	To connect the upcoming Darfield and Kirwee reticulated wastewater systems to the Pines Wastewater Treatment Plant
<b>Contact</b>	Blakely's PM Fintan Harvey (027 294 7764)

We are writing to let you know that Selwyn District Council will be carrying out works in your area as part of the construction of a new wastewater pipeline between Darfield and the Pines Wastewater Treatment Plant.

The work will require that Aylesbury Road is closed between Wards Road and Miles Road. There will be a detour in place and traffic management on Aylesbury Road and surrounding roads. Note that the currently closed section of Aylesbury Road between Two Chain and Wards will be reopened at this time.

The works will be carried out in sections of up to 300 meters. When the works are outside your property, access to your driveway could be restricted, please speak to the work staff and they will organise for you to get in or out of your property safely. We will try and keep traffic, dust and noise to a minimum. Your water and wastewater supply won't be affected.

We apologise for any inconvenience this may cause and thank you for your patience as we carry out these works. Further information about this project and a live map of the construction can be found at <https://www.selwyn.govt.nz/services/water/wastewater/darfield-wastewater>.

The contractor for this work is Blakely Construction.

If you have any questions please contact Fintan Harvey (Project Manager) on 027 294 7764, or the Council Water Services team on 0800 SELWYN (735 996) or email [contactus@selwyn.govt.nz](mailto:contactus@selwyn.govt.nz).

Thank you

SICON
