

NEW WATER CONNECTION REQUIREMENTS - PRIVATE CONTRACTOR

Property Address: _____

Consent number: _____
(If required)

Name of Contractor: _____ Company: _____

Billing address: _____

Email: _____ Phone: _____

☐ I confirm that the new water connection will be constructed in accordance to Selwyn District Council's (SDC) Infrastructure design standards which are found online;

http://www.selwyn.govt.nz/_data/assets/pdf_file/0013/35401/Part-7-Water-Supply.pdf

The connection to the existing water supply must be witnessed by Council's maintenance contractor, Sicon Ltd. Please contact Fiona Rayner or Bridgette Johnston Ph. 03-347 2800 and allow 5 working days.

☐ I agree that all costs associated with the supervised stand-over will be my responsibility and will be billed to myself upon completion of the job. I will supply detailed as-builts to Council within 1 week of completion to water.services@selwyn.govt.nz. These must include (but not limited to) pipe size, diameter, material type, measurements from a legal boundary, water meter, serial number, start reading, installation date and restrictor size (restricted water supplies only where applicable).

If as-builts are not supplied within the time frame Council reserves the right to instruct their maintenance contractor to complete the requirements with costs being on-charged back to the contractor listed on this form.
