Members Interests

Prospective candidates should be aware of the requirements of the Local Authorities (Members' Interests) Act 1968.

Under Section 3 of the Act, elected members may not be concerned or interested in contracts made by the Council when payments made for the contracts entered into during a particular year exceed \$25,000 including GST. That amount may only be exceeded if the Council has either obtained the prior approval of the Audit Office or, in special circumstances, obtained retrospective approval. When payments exceed \$25,000 or any other approved amount, the elected member concerned is automatically disqualified from office. He or she also commits an offence if they continue to act as a member.

Under Section 6 of the Act, elected members may not discuss or vote on any matter in which they have a pecuniary interest when it is being considered by the Council or a committee. Elected members failing to observe this prohibition commit an offence and can be prosecuted. Conviction leads to disqualification from office.

When a matter is raised at a meeting of the Council or a committee in which a member has a pecuniary interest, the member prohibited from voting or discussing the matter must declare the pecuniary interest. The fact of that disclosure and abstention from discussion and voting on it is also recorded in the minutes. While it is not necessary to withdraw from the meeting, it is good practice to do so.

Health and Safety at Work Act 2015

The Health and Safety at Work Act 2015 (the Act) is part of a reform package aimed at reducing the number of serious work-related injuries and deaths in New Zealand by at least 25 percent by 2020. It came into force on 4 April 2016.

The Act is a new way of thinking about health and safety for New Zealand. The Act is designed to:

- Ensure everyone has a role to play
- Makes everyone's responsibilities clear
- Focuses on managing risk
- Requires those who create the risk to control the risk
- Requires businesses to engage with their workers and enable them to participate on an ongoing basis
- Allows flexibility in managing health and safety risks.

For Elected Members, the most significant implication is the introduction of the role of Officer and the requirement for Officers to meet due diligence duties.

What is an Officer and what do they need to do?

An Officer is a person who holds a very senior leadership position, and has the ability to significantly influence the management of a business. At SDC this includes Elected Members (only Councillors) and the CEO.

Officers must ensure the business is meeting its health and safety responsibilities by doing due diligence to ensure the

business understands and manages its key risks. To do this Officers must take reasonable steps to:

- Keep up to date knowledge of health and safety
- Understand the operations of the business
- Ensure and check that their business has appropriate resources and processes for health and safety.

Elected Members of a Council are not required to exercise due diligence over a Council Controlled Organisation (CCO) providing they are not Officer of that CCO e.g. an Elected Member will be an Officer of a CCO if they are on the Board of the CCO.

SDC and Elected Members as Officers under the Act

SDC is proactively partnering with Elected Members to ensure SDC and its Officers can meet their responsibilities under the Act.

Liabilities of Officers under the Act

Under the Act there are a raft of offences that can be committed which carry fines (which need to be paid in some cases by the organisation and in some cases personally by the Officer) and in extreme cases even jail sentences.

Elected Members as Officers have an exemption under the Act from some of these offences. Offences that Elected Members as Officers can be liable for include offences such as failure to comply with an improvement notice. This can be a fine up to \$50,000 for an individual or \$250,000 for a body corporate. Insurance is not available to cover the cost of such fines.

Inaugural Meeting

The successful candidates will take office on the day after the electoral officer gives his official notification of the result of the election. However, no person is permitted to act as a member of the council before making a declaration. This declaration will be made at the inaugural meeting, which is expected to be held in late October or early November 2016. Newly elected members will be contacted by staff with the key dates.

The business to be conducted at that meeting will include:

- The making and attesting of declarations required of the mayor, councillors and community board members.
- A general explanation of the Local Government Official Information and Meetings Act 1987 and other laws affecting elected members.
- The fixing of the date and time of the first ordinary meeting of the council and community boards, or the adoption of the schedule of ordinary meetings.
- Election of the deputy mayor and community board chairpersons.

If elected the declaration required to be made by the mayor and councillors is as follows:

Declaration by Mayor and Councillors

I declare that I will faithfully and impartially, and according to the best of my skill and judgement, execute and perform, in the best interests of Selwyn District Council, the powers, authorities, and duties vested in or imposed upon me as mayor (or as a member) of the Selwyn District Council by virtue of the Local Government Act 2002, the Local Government Official Information and Meetings Act 1987, or any other Act.

Community board members are required to make a similar declaration.

Electoral Systems

Two electoral systems will be operating side by side for the 2016 local government elections. These are:

- First Past the Post (FPP)
- Single Transferable Voting (STV).

Organisations using FPP in 2016 are:

- Selwyn District Council
- Canterbury Regional Council

Organisations using STV in 2016 are:

- Canterbury District Health Board

Briefly, the FPP electoral system consists of the following:

- Electors vote by indicating their preferred candidate(s) with a tick.
- Voters must not tick more than the number of places to be filled.
- The candidate that receives the most votes is declared the winner, regardless of the proportion of votes that candidate obtained.

Briefly, the STV electoral system consists of the following:

- Voters receive a single (transferable) vote irrespective of the number of vacancies.
- Voters rank the candidates in order of preference, by writing a “1” next to the name of their most preferred candidate, then a “2” next to the name of the next preferred candidate and so on.
- Voters can rank as few or as many candidates as they wish.
- To be elected, a candidate must reach a “quota” of votes, which is based on the number of vacancies and the number of valid votes.
- When votes are counted, all the first preferences are allocated first.
- A candidate who reaches the quota first is elected. If there is more than one vacancy, and a candidate gets more votes than the quota, a proportion of each vote for that candidate is transferred to the voter’s second preference. If, as a result, another candidate gets more votes than the quota, a proportion is transferred to the third preferences, and so on.
- If insufficient candidates reach the quota after the first preferences are allocated and any surplus votes are transferred, then the candidate who received the fewest votes is eliminated and each vote for that candidate is transferred to the voter’s second preference. This process is repeated until enough candidates reach the quota to fill all the vacancies.

More information on STV can be accessed from the Department of Internal Affairs website www.stv.org.nz.

Electoral Roll

The preliminary electoral roll will be compiled during July 2016. Copies of the preliminary electoral roll for the election will be available for public inspection during normal office hours from Friday 15 July 2016 to 5pm Friday, 12 August 2016 at the following locations:

- Darfield Service Centre/Library
- Leeston Service Centre/Library
- Lincoln Service Centre/Library
- Rolleston Council Headquarters, Norman Kirk Drive
- Dunsandel Store
- Arthurs Pass Store
- Mobile Library

Any alterations to the residential roll, should be made:

- by completing the appropriate form at any Post Shop or
- by telephoning 0800 ENROLNOW (0800 367656) or
- by accessing the Electoral Enrolment Centre website on www.elections.org.nz.

A hard copy of the preliminary electoral roll may be purchased from the electoral officer for \$25 per ward (ratepayer roll included) or \$80 per set, plus GST.

The final electoral roll is produced once the preliminary electoral roll closes on 12 August 2016. The final electoral roll is the roll used for issuing voting papers. Copies of this roll may be purchased as above.

Details appearing in the electoral roll are electors names (surname, then first names) listed alphabetically, the qualifying address, postal address, occupation, meshblock and voting entitlements.

Information contained on the electoral roll is not available from the electoral officer in an electronic form, but candidates or political parties may request an electronic listing of resident electors from Electoral Services (provided the criteria of section 114 of the Electoral Act 1993 is met). An application form is required to be completed, and these are available upon request from Electoral Services. The contact person is Michael Calvelo on (04) 801 0710.

Candidate Eligibility

A candidate for local authority elections must be:

1. Enrolled on a **parliamentary electoral roll** somewhere in New Zealand; and
2. A **New Zealand citizen** (either by birth or naturalisation ceremony). [Section 25, Local Electoral Act 2001.]

 - c. A candidate may seek nomination for mayor and/or a ward of council and/or a community board, but in the event that they are elected
 - as mayor and a ward member then they must be treated as having vacated the ward office.

 - d. A candidate **cannot** be a person concerned or interested in contracts over \$25,000 with the territorial local authority (Section 3(1) Local Authorities (Members' Interests) Act 1968). This restriction is waived if prior approval from the Audit Office is obtained.
 - e. An employee of a local authority who is elected as mayor or councillor **must resign** from his/her position as an employee of the local authority before taking up his/her elected position. (Section 41 (5) Local Government Act 2002). This provision does not apply if an employee of a territorial authority is elected to a community board within the district of that territorial authority, however it is recommended the employee consult with their manager(s) before submitting their nomination form.

Notes:

- i. Candidates for mayor may also stand for council if they wish (and vice versa).
- ii. Candidates are required to record on the nomination paper if they are standing for election in any other elections in New Zealand.

- vi. There are no longer restrictions applying specifically to Police employees wishing to stand in local authority elections.

For CDHB candidate eligibility please refer to the separate candidate handbook for the CDHB, but a candidate for mayor and/or council and/or a community board may also seek nomination to the CDHB.

Nominations

Nominations open on **Friday 15 July 2016** and close at **12 noon on Friday 12 August 2016**.

Each candidate must be nominated on the official nomination paper available during normal office hours:

- Darfield Service Centre/Library
- Leeston Service Centre/Library
- Lincoln Service Centre/Library
- Rolleston Council headquarters, 2 Norman Kirk Drive
- Or by phoning the Selwyn District Council on 03 347 2800 or 03 318 8338 and asking for a postal delivery.

A hardcopy nomination (as opposed to a copy emailed or extracted from the council website) is required as each different nomination type has a different colour to assist with the ease of processing nominations by the electoral officer.

Completion of Nomination Paper

Each nomination paper must have the consent of the candidate and be nominated by **two** electors whose names appear on the electoral roll for the district, ward or community board subdivision. (e.g. if a person wishes to stand for election to a ward or a subdivision, then that person must be nominated by two electors from that ward or subdivision).

A candidate **cannot** nominate himself/herself.

If a candidate is unable to sign the nomination paper (e.g. absent overseas), a letter of consent signed by the candidate is acceptable to attach to the nomination paper. A scanned copy of a completed nomination paper will also be accepted, provided the nomination deposit payment (or evidence thereof) is received in time.

Other Names

If a candidate is commonly known in the community by a slightly different name (e.g. Edward Smith is commonly known as Ted Smith) and has been known by this name for at least the last six months (to the satisfaction of the electoral officer), the commonly known name may appear on the voting paper.

Titles

Titles (i.e. Dr, JP, Sir, Dame etc) are **not** permitted next to the candidate's names on the voting paper or profile statement, but can be included as part of the candidate's 150 word profile text if desired.

Residency in Area

A candidate must declare if they reside in the area of election or not. This is shown at the top of the profile statement but does not count as part of the 150 word profile.

Standing in Other Elections in New Zealand

A candidate must declare if they are standing for any other elections in New Zealand at these triennial elections. This is shown at the top of the profile statement but does not count as part of the 150 word profile.

Affiliation

The nomination paper provides for a party affiliation or other designation.

Individual candidates not part of a political party may wish to nominate their designation as "Independent" or leave as blank (if left blank, nothing will show alongside the name on the voting paper).

A candidate requiring a specific party affiliation must have authority to adopt the affiliation from the party concerned (i.e. a party letterhead or letter of consent are acceptable). This is a safety measure to avoid any illegal adoption of party affiliations.

No party affiliation or other designation that is offensive in nature or likely to confuse or mislead electors will be accepted.

Submitting the Nomination Documents

Nomination documents for the Selwyn District Council elections can be lodged at:

- Darfield Service Centre/Library
- Lincoln Service Centre/Library
- Lincoln Service Centre/Library
- Rolleston Council headquarters, 2 Norman Kirk Drive.

Mon-Fri 8.30 am to 5.00 pm, except on 12 August when 12 noon is the cut-off time for lodgement.

- Nomination documents for the Selwyn District Council candidates must be lodged and physically in the hands of the Electoral Officer at the Selwyn District Council offices at Council headquarters, 2 Norman Kirk Drive, Rolleston on 12 August at midday.
- **All nomination documents must be submitted at the same time, i.e. nomination paper, candidate profile statement, photo, and nomination deposit.** A nomination will not be accepted if any components are missing.
- Nomination papers for the Canterbury Regional Council elections are to be lodged at either the Christchurch City Council or Timaru District Council offices. **These nomination papers cannot be lodged with Selwyn District Council.**
- Nomination papers for the Canterbury District Health Board should be lodged at the Christchurch City Council office, 64 Hereford Street, Christchurch. **These nomination papers cannot be lodged with Selwyn District Council.**

Once lodged, nomination papers are checked to ensure the candidate is eligible (name appears on a parliamentary roll) and the nominators are two electors whose names appear on the electoral roll for the relevant ward and city as a whole.

Should a nomination paper be lodged late on the morning nominations close, and be incorrectly completed or ineligible nominators are provided, there may not be enough time to correct the situation and the nomination paper could be invalidated.

Nomination Deposits

Each nomination paper lodged, requires a deposit of **\$200** (including GST). If an election is required the deposit is refunded if the candidate polls greater than **25%** of the lowest successful candidate for each election issue. The deposit is also refunded if no election is required.

Payment of the nomination deposit can be made by cash, cheque, EFTPOS or online banking. Should a personal cheque or online banking transaction be dishonoured or declined, the nomination becomes invalid as the deposit has not lawfully been made. If this occurs after the close of nominations, then the nomination is invalid and the candidate will be withdrawn.

Cheques are to be made payable to: **Selwyn District Council**

Payment can be made by online banking. Details for the payment of the deposit by online banking are shown on page 2 of the nomination paper. If paying by online banking, evidence of the transaction **must** be provided at the time the nomination documents are submitted, i.e. a print out of the transaction receipt. The nomination paper also sets out the reference and code details required for each online payment.

Nomination papers, with the deposit and the candidate profile statement and photograph, can be sent to the deputy electoral officer by mail or email, but should the papers be received by the electoral officer or deputy electoral officer after the close of nominations, the nomination is invalid.

Nomination documents can be scanned as pdfs and emailed to the EO, including evidence of the \$200 deposit if made by online banking. Photos are to be scanned as jpgs.

It is the responsibility of the candidate to ensure all nomination documents are submitted together and that they are all correct.

The lodgement of nomination documents should not be left to the last minute.

Nominations close at 12 noon, Friday 12th August 2016.

Candidate Withdrawals

Candidates cannot strategically or politically withdraw their nomination once nominations have closed. Candidates may only withdraw after the close of nominations for medical reasons, i.e. incapacity.

A medical certificate must be provided for a withdrawal notice to be accepted by the electoral officer. An application can be made by a candidate or an agent on their behalf.

If the reason for withdrawing is valid, the \$200 deposit will be refunded.

Candidate Profile Statements

The Local Electoral Act 2001 allows for a candidate profile statements (CPS) of up to 150 words to be provided by each candidate with the completed nomination form. If an election is required these are then collated by the electoral officer and forwarded to electors in a booklet with the voting papers. Refer also to the notes listed in Appendix 1 for word limits and translation requirements.

Candidate profile statements must be provided electronically via email or on a pen drive or CD, in a MS Word document that has been spell checked. As the electoral officer could receive dozens of profiles, consistent format of delivery and content is required (refer to guidelines below).

Candidate profile statements are governed by Sections 61 and 62 of the Act.

If the nomination forms are being personally delivered, a hard copy format of the profile must be provided at the same time. Hand written profiles will not be accepted.

Format of Candidate Profile Statements

The format requirements for profiles are:

The English text must be plain text, in paragraphs, with no special formatting, i.e.

- No bold, italic, underlining etc.
- No tabs
- No quote marks
- No accent marks (this restriction is in English text only)
- No bullet points

The profiles will be loaded into software provided by the printer that will automatically apply the required font, type size, line spacings etc. If there is no profile statement or photo from a candidate, then "No Profile Statement and/or Photo provided." text or similar will be printed in the profile book.

Any non-English candidate profile content must be supplied with the following formatting:

- Font - Times New Roman (or Equivalent)
- Point Size - 9 point size, 11 point line spacing
- No special formatting of text – e.g. no bolding, no italics, no underlines, no quote marks, etc.

Translations

The following contact details are given for a translation company, for those candidates who are unable to prepare the translation image themselves or do not know of anyone to do this for them:

Pacific International Translations (NZ) Ltd 4/203 Queen Street, Auckland. Phone: 09 9135290 Fax: 09 9135291

Email: info@pactrans.co.nz

The translation service will provide the translations in the above format to meet the requirements of the printer, the cost of which is to be met by the candidate.

Candidate Photos

Candidates may also submit a recent (less than 12 months) photograph for inclusion with the candidate profile statement in the booklet to accompany the voting papers. Photos should also be provided electronically, on CD, pen drive or as an attachment to an email to the electoral officer.

If hard copy photographs are provided, then two copies of each photo should be provided with the candidates name clearly printed on the rear of each photograph (care needs to be taken when labelling hard copies of photos to ensure the photo image is not damaged in the process). Photos will not be returned to candidates.

Format of Candidate Photos

Candidate photos are to be a head and shoulders shot only, with nothing else in the photo, i.e. no hats, sunglasses, pets, external objects or impediments, or other people. They should be in colour. If necessary the EO will crop the photo accordingly but the onus is on the candidate to provide a photo of the candidate only that complies with this format.

Electronic copies of photos should be scanned as a jpeg at a minimum of 600 dpi.

Any queries regarding the format of photos and profiles are to be made to the EO.

Note: The onus is on the candidate to ensure that all nomination documents including the profile and photo are submitted to the electoral officer by 12 noon on Friday 12th August 2016.

Correctness of Profile Statements

The candidate is responsible for ensuring that the candidate profile statement contains correct grammar, spelling, punctuation, etc. The electoral officer may make corrections to the statement without affecting content but accepts no responsibility to make any correction. The candidate should ensure the statement is correct when submitted and not expect any corrections to be so made.

The electoral officer is not required to verify or investigate any information included in a candidate profile statement.

The electoral officer will take no responsibility for the accuracy of the content. A disclaimer concerning the accuracy of the information contained in the statements will be published in the profile statement booklet.

If the profile statement or photo does not comply with the legislative requirements, the electoral officer will as soon as practicable, return the statement to the candidate and specify his/her concerns and the reasons therefore. The candidate will then have up to three (3) days to submit an amended candidate profile statement to the electoral officer.

A candidate is to be treated as having failed to provide a candidate profile statement, if the candidate:

- fails to submit an amended candidate profile statement within the requested period, or

- submits an amended candidate profile statement that, in the opinion of the electoral officer, does not comply with the requirements.

Where the electoral officer is not satisfied that the candidate profile statement complies and cannot reach agreement with the candidate within the period specified, but the candidate has submitted a suitable photograph, the electoral officer will act as if the written part of the statement was never received but still publish the photograph in the candidate profile booklet to be included with the voting paper sent to each elector, as well as a message to the effect that a statement was not supplied.

Campaigning, Council Resources, Social Media

Election campaigning can commence anytime but should cease by the close of voting day, ie 12 noon Saturday 8 October 2016.

There are generally no rules around conduct of campaigning by candidates, although there are certain election offences, which are detailed for your information in this guide, see Appendix 6. Please refer to them for your own protection.

No election material can contain:

- any untrue statement defamatory of any candidate and calculated to influence the vote of any elector.
- an imitation voting paper which has the names of the candidates with any direction or indication as to the candidate a person should vote for, or in any way contains such direction or indication likely to influence the voter.

Voting papers are not permitted to be collected from electors by candidates or their assistants. Each elector is required by law to post or deliver his or her own voting paper to the electoral officer or official voting boxes located at Selwyn District Council service centres or libraries.

Council Resources

Candidates are not permitted to use council resources for campaigning purposes. Council resources includes but are not limited to Council's logo and branding, website, facebook page, twitter account, any forms of social media, computers, email, mobile phones, faxes, stationery, photocopiers, printers, stamps, cars, meeting rooms and venues (except those available for public hire).

Social Media Guidelines

Candidates must understand and be aware of their social media presence for campaigning purposes at all times. The following guidelines apply.

- Council's facebook page is not permitted to be used by anyone (candidates or members of the public) for electioneering. Council's facebook is constantly monitored and any campaign related or electioneering content will be removed immediately.
- Any post - positive or negative - made by any individual specifically relating to their own - or someone else's - nomination, intention to run for Council or election campaign, will be removed immediately.
- Candidates cannot comment on Council's Facebook posts encouraging people to like or follow their own social media accounts or any other electioneering tool. Any posts that do this will be removed immediately.
- Council's Facebook pages will unlike all candidate Facebook pages.
- Candidates must not link their own Facebook pages and social media channels (if they are used for campaigning

purposes) to the Council's Facebook and social media channels, and must ensure that they have the appropriate authorisation (see next section) at all times.

- Council's Facebook pages will remain neutral. Council will promote elections and the importance of voting but will not associate these posts with any candidates.
- During the lead up to elections, the current Mayor and Councillors may be used in social media posts where it is appropriate and is considered 'business as normal' to use them. This may be in images or quotes.

Election Advertising

Election advertising, using any media, including social media, must identify the person under whose authority they have been produced, as per sections 113-115 of the Local Electoral Act 2001.

This means that for posters, adverts, billboards, flyers, vehicle signage, websites, facebook pages etc, each advertising item must have a sentence at the bottom saying that it is authorised by the candidate or agent, i.e. "Authorised by Joe Bloggs, 20 Somewhere St, Sampletown." This authorisation must be clearly visible on the front or back of any billboards.

Please note: a physical address must be provided in any authorisation text, i.e. it cannot be a PO box or a rural delivery number. There must be a reasonable expectation that anyone wishing to discuss the advertising can do so with the candidate or their agent at the address listed.

The cost of framing to hold up an election sign is not an item of campaign expenditure.

Campaign Expenditure Limits

Candidates have campaign expenditure limits and are required to file a return to the electoral officer after the election.

Campaign expenditure is all expenses relating to the campaign from the period 3 months before election day, i.e. all expenditure from **8 July 2016 to 8 October 2016** plus any apportioned costs of any election campaigning carried out prior to 8 July 2016 (refer S.112 LEA 2001).

If a candidate is standing for more than one position (e.g. mayor and councillor) then the higher limit applies (not both combined).

The campaign expenditure levels for Selwyn District are:

1. Mayoralty

The total electoral expenses (inclusive of goods and services tax) of a candidate must not exceed **\$30,000** if any local government area over which the election is held has a population smaller than 59,999 and larger than 40,000.

The population of Selwyn District is estimated to be 49,440 (Dept of Statistics - 2015).

District-wide Issue	Est Resident Population as at 28 October 2015	Expenditure Limit (inc GST)
Mayoralty	49,440	\$30,000

2. Wards

The total electoral expenses (inclusive of goods and services tax) of Selwyn District Council ward candidates are listed in the table below.

SDC Wards	Est Resident Population as at 28 October 2015	Expenditure Limit (inc GST)
Ellesmere	9,100	\$7,000
Malvern	8,460	\$7,000

3. Community Boards

Subdivision	Est Resident Population as at 28 October 2016	Expenditure Limit (inc GST)
Hawkins	5,210	\$7,000
Tawera	3,250	\$3,500

However, if a candidate is a candidate for more than one election held at the same time, (i.e. mayor and ward), the total electoral expenses (inclusive of GST) of that candidate must not exceed the highest amount permitted under subsection (1) in respect of any one of the elections for which the person is a candidate, i.e. **\$30,000** for a mayoral and ward candidate.

Local government area population	Expenditure limit
up to 4,999	\$3,500
5,000 – 9,999	\$7,000
10,000 – 19,999	\$14,000
20,000 – 39,999	\$20,000
40,000 – 59,999	\$30,000
60,000 – 79,999	\$40,000
80,000 – 99,999	\$50,000
100,000 – 149,999	\$55,000
150,000 – 249,999	\$60,000
250,000 – 999,999	\$70,000
more than 1,000,000	a separate calculation applies

Return of Electoral Expenses:

Each candidate is required to keep a record of all campaign election expenses, and must furnish a return to the electoral officer within 55 days of the election result being declared, i.e. no later than Wednesday 14 December 2016.

The return of electoral expenses and electoral donations form once returned becomes a public document and can be inspected by any person for a period of 7 years after receipt. The electoral officer is required to make the expenditure return and any supporting documents available on council's website.

A model election expenses return form is attached as Appendix 2. The relevant sections of the Local Electoral Act 2001 on election expenses is attached as Appendix 3.

Note:

- 1) Candidates are required to keep evidence of any election expenses for amounts exceeding \$200.
- 2) All candidates must submit a return of election expenses and donations form even if no expenses have been incurred or donations received.

Electoral Donations:

Significant changes were made in 2013 to the requirements regarding electoral donations.

The changes in the Act align the Local Electoral Act with current rules in the Electoral Act 1993 (for parliamentary elections). The changes include:

- A limit of \$1,500 on the size of an anonymous donation
- A requirement that any candidate receiving an anonymous donation of more than \$1,500 pay the amount over \$1,500 to the electoral officer (for payment into the council's general account)

- Requirements for the candidate to disclose in their return of electoral expenses and donation information about all donations above \$1,500 (including those aggregated donations)
- New definitions of “anonymous” and “donation”
- New obligation on a third party, who passes on a donation to a candidate on behalf of a donor, to disclose the identity of the donor to the candidate
- New obligation on a person administering the affairs of a candidate’s campaign to disclose the identity of the donor of an anonymous donation of more than \$1,500 (if known) to the candidate
- New penalty provisions for non-compliance with the new requirements.
- Improved public access to candidate returns of electoral donations and expenses

Donations to candidates can be made up of pooled funds contributed by more than one person (referred to as donations funded from contributions). These types of donations include, for example, campaign donations made through a trust, or where there is a fundraising collection for a candidate’s campaign.

Candidates must disclose, in their return of electoral donations and expenses, whether a donation is funded from contributions and the name and address of any individuals contributing amounts in excess of \$1,500. Anonymous donations made through contributions are limited to a maximum of \$1,500 per donation.

The electoral officer’s role is to bring these matters to the attention of all candidates. It is not the role of the electoral officer to enforce these requirements.

- 2) No signs may be erected on any Council reserve or Council property whether tenanted or not.
- 3) No sign shall be permitted in the Waimakariri Basin or the Rakaia Gorge beyond the Windwhistle corner.
- 4) Each candidate shall be granted permission to operate mobile signs within the District for a 3 month period prior to each election provided that the vehicle so used:
 - a) is registered and is removed from the legal road during the hours of darkness; and
 - b) is not sited in any one place for more than 7 days.
- 5) The maximum size for any sign shall be 3m².
- 6) All signs must be removed from their sites as follows:

- 12) That the Asset Manager is authorised to remove any fixed or mobile signs that are deemed to create a road safety or public safety hazard.

*Amended as per Adoption of Council Policy Manual
25.6.2014*

Electoral Officer Guidance on Hoarding Location

The following is provided to give some clarity about hoarding location:

Signs (hoardings) are not allowed to be erected on any Council reserve or Council property whether tenanted or not. Council staff allow some latitude to hoardings being erected on fences on reserve areas that are an extension of a footpath or road reserve. This latitude will be allowed where the fence faces the road and the candidate or their representative has the approval of the property owner of the fence. The best example where this latitude will occur is in Rolleston Drive, Rolleston on the fences that face the New World supermarket and Rolleston Community Centre. The footpath/road reserve merge into a Council walkway reserve but staff acknowledge that this is a good profile spot for signage if you have property owner approval. We also believe it is a much safer location for signage as opposed to some of the corner sites that are used.

Mobile hoardings. If you use a vehicle, bike or trailer as a mobile hoarding, staff are going to allow them to be parked in Council building car parks eg Council HQ, any of the Council reserves and community centre car parks etc while you are visiting that building. In practical terms, most candidates choose to park on the roadside to increase their hoarding profile.

Please remember that all election advertising must also comply with section 113 of the Local Electoral Act 2001. In particular, the requirement that the advertising must have a statement which states who has authorised the advertising and that statement must identify the address of their physical place of residence or business is highlighted. Section 113 states.

113 Advertisements for candidates

- (1) No person may publish or cause to be published in any newspaper, periodical, notice, poster, pamphlet, handbill, billboard, or card, or broadcast or permit to be broadcast over any radio or television station, any advertisement that is used or appears to be used to promote or procure the election of a candidate at an election, unless subsection (2) or subsection (4) applies.
- (2) A person may publish or cause or permit to be published an advertisement of the kind described in subsection (1) if—
 - (a) the publication of that advertisement is authorised in writing by the candidate or the candidate's agent or, in the case of an advertisement relating to more than 1 candidate, the candidates or an agent acting for all of those candidates; and
 - (b) the advertisement contains a statement setting out the true name of the person or persons for whom or at whose direction it is published and the address of his or her place of residence or business.

- (3) A candidate is not responsible for an act committed by an agent without the consent or connivance of the candidate.
- (4) A person may publish or cause or permit to be published an advertisement of the kind described in subsection (1) if—
- (a) the publication of the advertisement is endorsed by an organisation or body representing residents or ratepayers in the community or district in which the advertisement is published; and
 - (b) the advertisement contains a statement setting out—
 - (i) the true name of the person or persons for whom or at whose direction it is published and the address of his or her residence or place of business; and
 - (ii) the true name of the organisation or body that has endorsed the publication of the advertisement and the address of the place of business of that organisation or body.
- (5) This section does not restrict the publication of any news or comments relating to an election in a newspaper or other periodical, or on the Internet, or in any other medium of electronic communication accessible by the public, or in a radio or television broadcast made by a broadcaster within the meaning of section 2 of the Broadcasting Act 1989.
- (6) A person who wilfully contravenes subsection (1) commits an offence and is liable on conviction to a fine not exceeding \$1,000.

Any questions or complaints regarding signs should be directed to the Council's Monitoring Officer, Jane Griffiths or the Electoral Officer, Douglas Marshall Ph 03 347 2800 or 03 318 8338.

Local Body Electioneering Signs Adjacent to State Highways

The purpose of this notice is to ensure that local body election candidates understand the requirements for placing signs near or adjacent to state highways.

It is clear from New Zealand and overseas experience that there is a direct correlation between poorly located signage and road crashes. Accordingly, the NZ Transport Agency (NZTA) seeks to ensure that signs erected next to state highways do not create driver distraction and other safety issues – particularly signs adjacent to intersections and along high speed arterial routes carrying high traffic volumes. The NZTA's requirements for electioneering signage on state highways:

- No signs are allowed on or adjacent to Motorways (e.g. the Christchurch Motorway);
- In speed limits of 70km/h or above, signs must not be located on the State Highway road reserve;
- The placement of a sign within the state highway road

reserve in a speed limit of 70km/h or less on private property adjoining the State Highway must:

- not be reflectorised or placed in such a way that will create an obvious conflict with existing road signs;
- not imitate or be of form similar to any traffic signs;
- not be mounted on vehicles;
- give consideration to visibility and other traffic safety aspects;
- have no more than 6 to 8 words or 40 characters;
- not be erected for longer than 2 months prior to election day and must be removed the day before an election; and
- seek approval from the local council regarding size etc.

Signs must be located at least 200m from intersections, bends in the highway and from other regulatory signs so as not to distract or endanger road users.

“Failure to comply with the requirements outlined above will result in the signs being removed”

The NZTA requests your adherence to the above requirements and thanks you for your cooperation in advance.

Voting and Processing of Votes

Order of Candidates on the Voting Papers

Selwyn District Council has resolved pursuant to Section 79 of the Local Electoral Act 2001 that the names of the candidates will appear in random order on the voting papers.

This means that the candidates' names will appear in a different order on each separate voting paper. Barcodes will be printed beside each candidate's name for counting purposes.

Special Voting

Special voting documents are available to electors:

- whose names do not appear on the final electoral roll, but who qualify as electors
- who did not receive a voting paper previously posted to them
- who spoil or damage a voting paper previously posted to them.

Special voting documents will be available from Friday 16 September 2016 to 12 noon, Saturday 8 October 2016 at the Selwyn District Council's offices at:

- 2 Norman Kirk Drive, Rolleston (Council headquarters),
- Darfield Library/Service Centre
- Leeston Library/Service Centre
- Lincoln Library/Service Centre.

Special voting documents can be posted directly out to electors. The completed voting paper however, must be in the hands of the electoral officer or the deputy electoral officer by noon on election day, ie 12 noon Saturday 8 October 2016.

Special voters must complete a statutory declaration. This is a legal requirement and a protection for electors against possible duplicate voting.

If an elector requests a special vote and is not on the parliamentary roll (e.g. just turned 18 years of age), the person must enrol on the parliamentary roll by Friday 7 October 2016. An application for registration as a parliamentary elector may be obtained:

- from any Post Shop or
- by telephoning 0800 ENROLNOW (0800 367656) or
- by accessing the Electoral Enrolment Centre website on www.elections.org.nz.

After voting closes, special vote declarations are forwarded to Registrars of Electors for verification that the elector is eligible and has enrolled as a parliamentary elector.

Special voting documents cannot be collected by candidates or their assistants for distribution to electors.

Early Processing of Returned Voting Papers

The electoral officer has decided pursuant to Section 80 of the Local Electoral Act that returned voting papers will be opened and processed during the voting period before the close of voting.

Voting papers for Selwyn District Council are being processed by council's election contractor, electionz.com Ltd. *electionz.com* will be processing approximately 600,000 voting papers for 42 councils at its processing centre in Christchurch.

The early processing of voting papers involves the following functions:

- opening of envelopes
- extracting of voting papers
- checking for informal or duplicate votes
- electronic capture of valid votes
- no tallying of votes is undertaken until after the close of voting (12 noon, Saturday 8 October 2016).

The early processing functions are undertaken within strict security measures. One or more Justices of the Peace observe all early processing functions, and sign a statement at the end of the processing that all functions were undertaken correctly and conformed with the legal and secrecy requirements.

Candidate's scrutineers are not permitted to observe the early processing functions (refer to Appendix 4).

Election Results

The counting of votes takes place as soon as practicable after 12 noon on Saturday 8 October 2016.

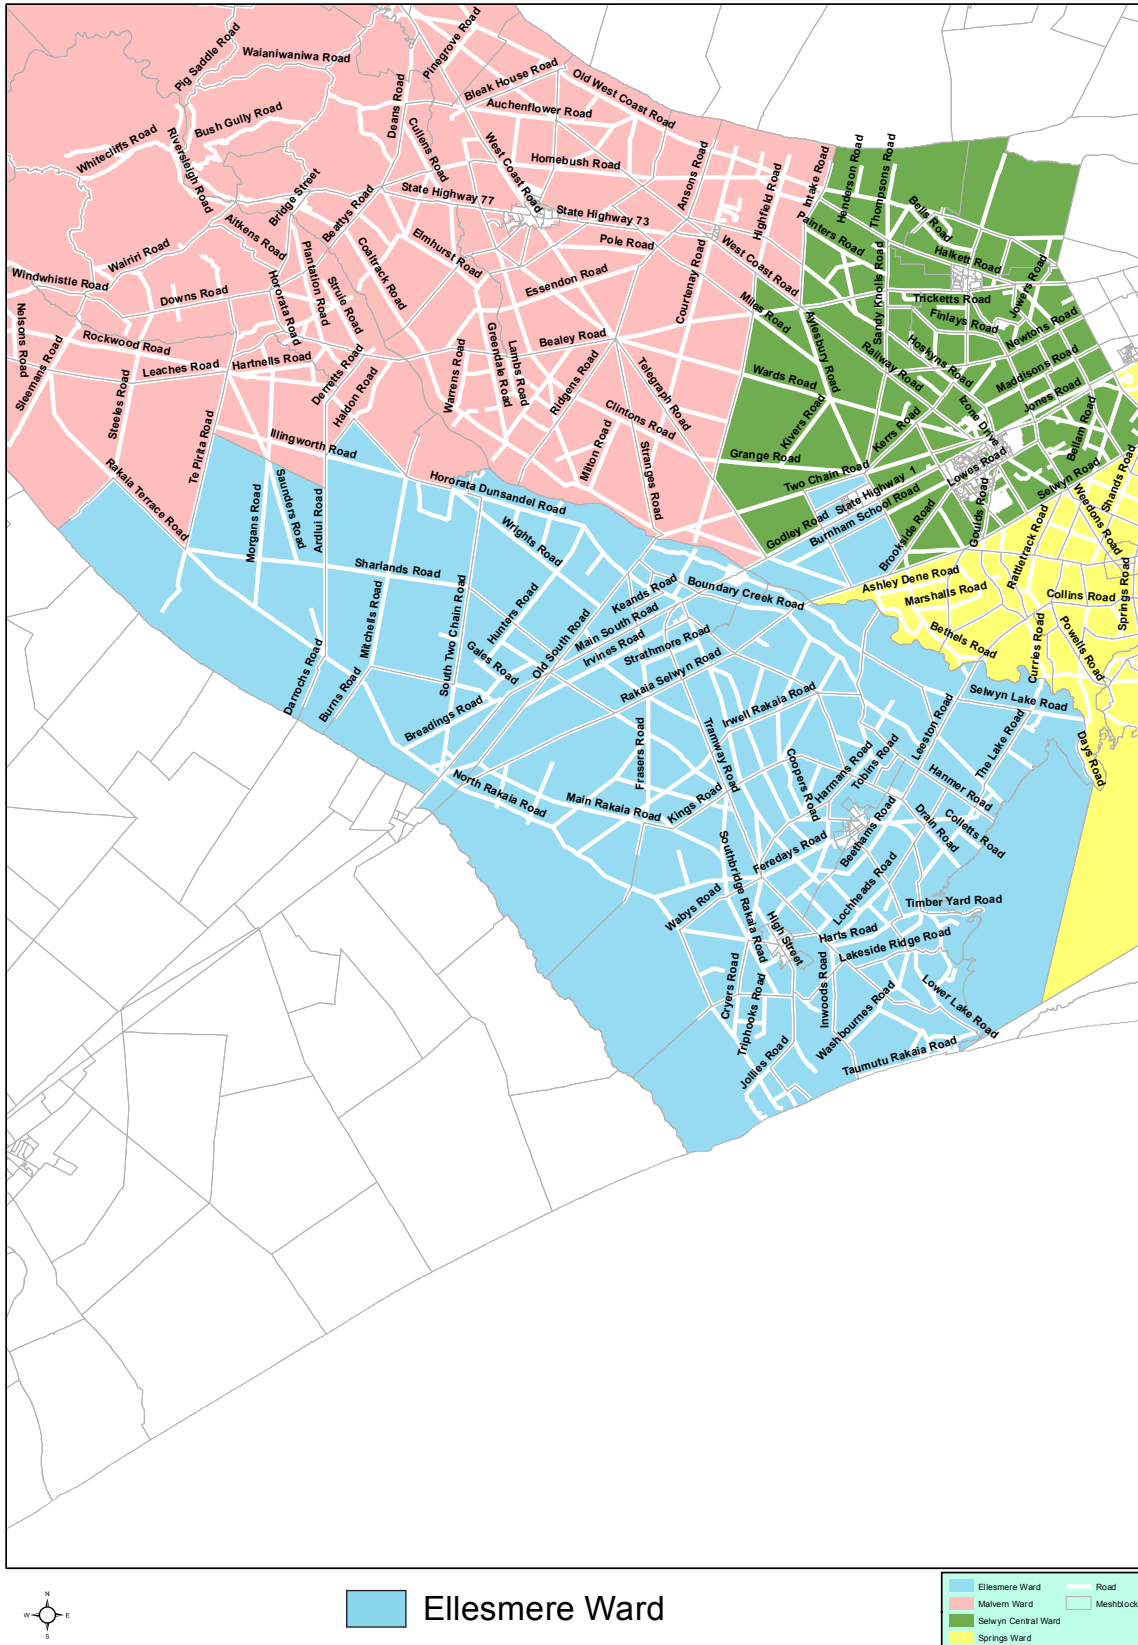

It is expected that a progress result will be released by the electoral officer by 2pm on Saturday 8 October 2016. The preliminary result will be released as soon as all ordinary voting papers have been received and processed at the processing centre. This is likely to be by midday Sunday 9 October, if not before.

Candidates will be advised the progress results on election day - either by e-mail or phone. Only two attempts to communicate the progress result to any candidate will be made. These will be made around the time that progress results are posted to the council website.

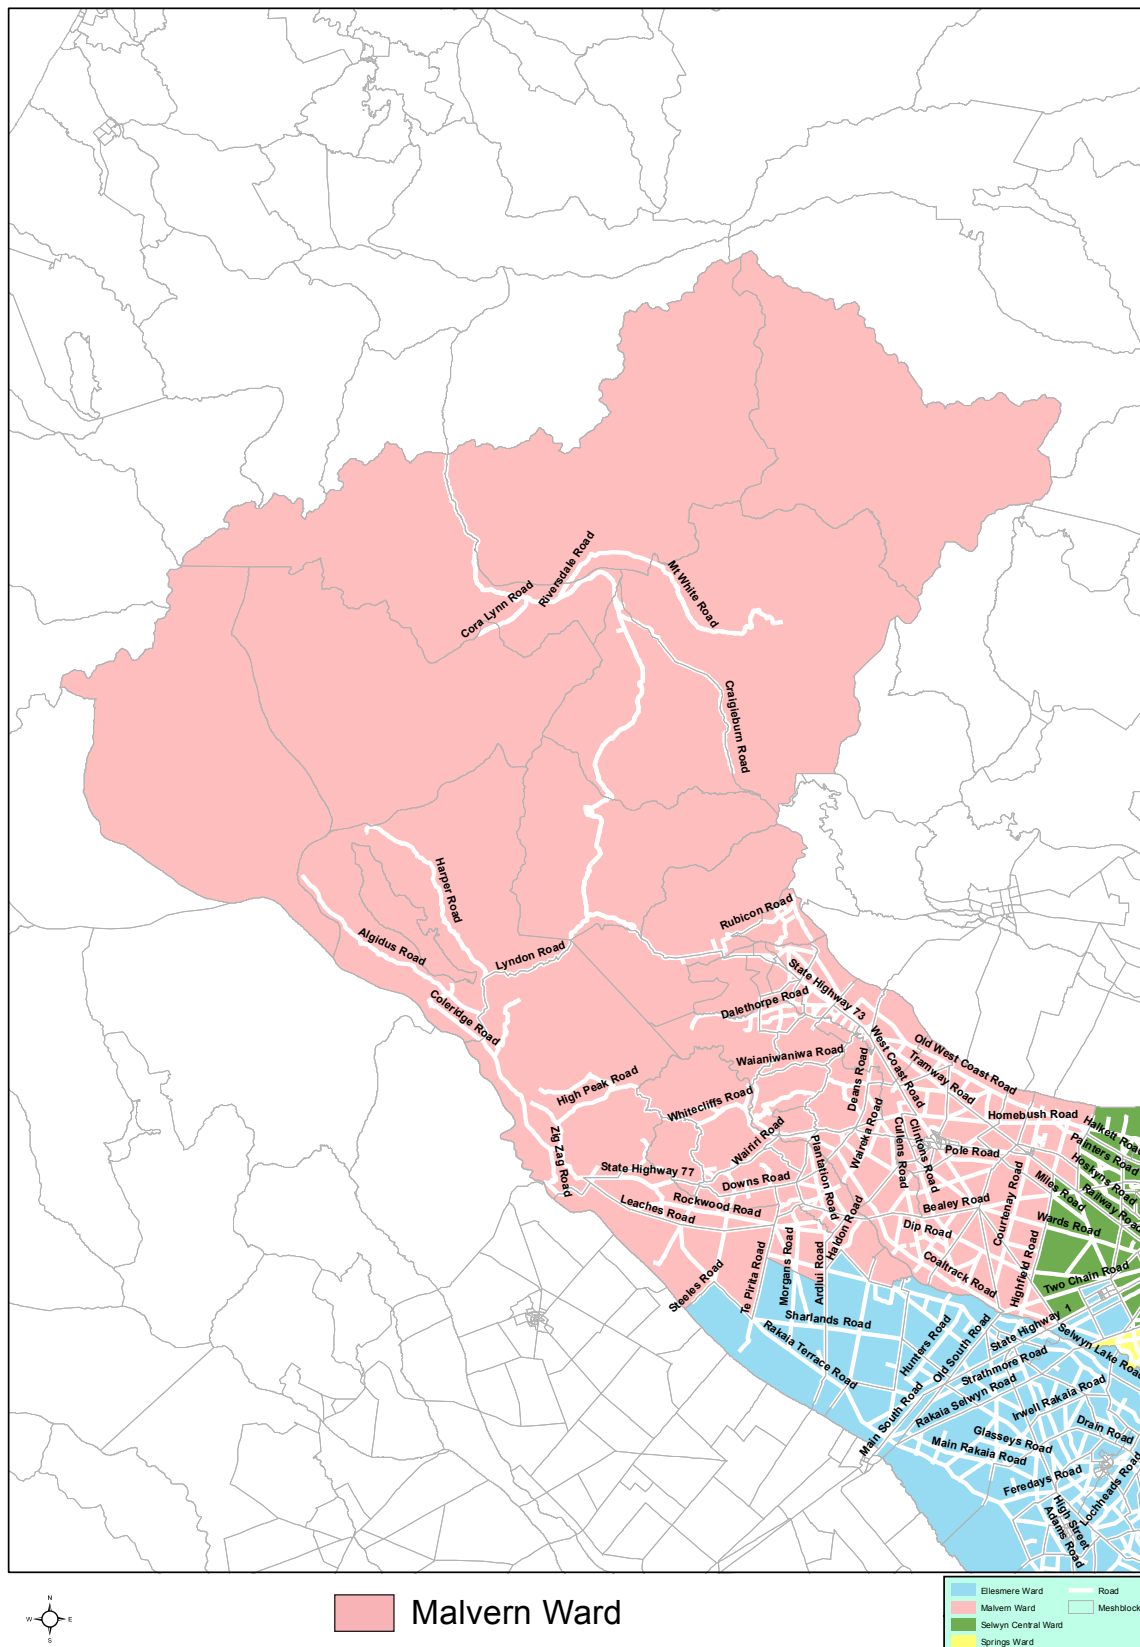

Results will be released to candidates and media via email and www.selwyn.govt.nz.

Candidate Profile Statements

Local Authority Elections 2016

Right to Submit a Candidate Profile Statement (CPS)

Every candidate for election to a local authority may submit a CPS with their nomination (Section 61, Local Electoral Act). This is a permissive right – it is not mandatory to submit a CPS.

Where a candidate is standing for two or more offices, e.g. mayor and councillor – he/she may submit a CPS for each office (Clause 26, Local Electoral Regulations).

Candidate Profile Statement Conditions

- Under Section 61(2)(a) and (3) of the Act and Clause 27 of the Regulations, a CPS
 - if in English or Maori or both, must not exceed 150 words in each of the languages used in the CPS. The information contained in each language must be substantially consistent with the information contained in the other language;
 - in any other language other than English or Maori, must not exceed 150 words, or their equivalent, if symbols are used rather than words. This includes any translation of those words into another language provided by the candidate. Where a CPS is in a language other than English or Maori, then the candidate must provide a CPS in English or Maori.
- Every CPS must be submitted with the candidate's nomination form.
- The content of a CPS, under Section 61(2)(c), must be confined to information:
 - concerning the candidate or any group or organisation the candidate claims affiliation to under S 55(4) of the LEA;
 - on the candidate's policies and intentions if elected.
- A CPS **cannot** be used to comment on the policies, performance, etc of any other candidate.

A candidate may include with their CPS a recent hard copy photograph of the candidate alone which has been taken within 12 months of the candidate's date of nomination.

Note: Soft (electronic) versions of the candidate photos may be submitted with the CPS. These should be either copied onto a CD, pen drive or emailed to the electoral officer, at douglas.marshall@selwyn.govt.nz.

Photos must be submitted at the same time as all nomination documents and by the close of nominations i.e. on or before 12 noon on 12th August 2016. [Section 61(2)(c) and Clause 28].

(Refer to page 15 for the production specifications for the CPS and candidate photograph).

Duties, Powers and Responsibilities of Electoral Officers

Where an electoral officer is not satisfied that a CPS complies with Section 61(2) and (3), he/she must, under Section 61(4), return the CPS to the candidate specifying the concerns and reasons for them and the period within which an amended CPS may be resubmitted.

A candidate will be treated as having failed to provide a CPS if Section 61(4) applies and he/she fails to submit an amended CPS within the period specified by the electoral officer or submits an amended CPS, which in the electoral officer's opinion, still fails to comply with Section 61(2) and (3).

It is important to note that under Section 61(6), the electoral officer is not required to verify or investigate any information in a CPS may include in or with any CPS a disclaimer concerning the accuracy of the information therein.

The EO is not liable in relation to:

- any statement in or omitted from a CPS; or
- the work of a prudently selected translator; or
- the exercise of the powers and functions conferred on the electoral officer under Section 61.

Distribution of Candidate Profile Statement

- Section 62 of the Act and Clause 29 of the Regulations requires the electoral officer to send to each elector with the voting documents, all CPS's that comply with Section 61, for each candidate in the election for a local government area or subdivision. In addition, a local authority may display CPS's at its offices, or service centres, and publish them on its website as soon as they are ready after nominations have closed.
- Any failure of an electoral officer to comply with Section 62 will not invalidate the election.

Examples of CPS's

A	English					= 150 words
B	Maori					= 150 words
C	English	+		Maori		= 300 words
	(must be substantially consistent with each other)					
D	1 Other Language (Non English / Maori)	+	English Translation	OR	Maori Translation	= 150 words
E	2 Other Languages (Non English / Maori)	+	English Translation	OR	Maori Translation	= 150 words
F	3 + Other Languages (Non English / Maori)	+	English Translation	OR	Maori Translation	= 150 words

RETURN OF ELECTORAL DONATIONS AND EXPENSES

Under section 112A of the Local Electoral Act 2001)

Scrutineers

Role of Scrutineers

- The Local Electoral Act 2001 (LEA) and the Local Electoral Regulations 2001 (LER) do not specify in detail the role of scrutineers. However, the general role of scrutineers is to oversee and observe certain election or poll procedures to ensure they are undertaken fairly and that votes are counted consistently and accurately.
- The election or poll procedures which scrutineers are statutorily permitted to oversee and observe are:
 - **Scrutineering of Roll** (Sections 81 and 83 LEA and Clause 55 LER). This involves comparing the rolls used at the election or poll upon which there is recorded the fact that an elector has voted. The objective is to establish any dual voting which is disallowed.
 - **Preliminary and Official Counts** (Section 84 LEA, and Clauses 59, 60 and 62 LER). The preliminary count involves the first count of votes immediately following close of voting. The outcome is the preliminary result announced on polling day. The official count follows the preliminary count and includes any remaining special votes. It can commence on polling day and due to special voting issues is usually completed on the Monday or Tuesday following polling day.
 Note: With electronic processing, the count processes are computerised tasks undertaken once required reconciliations have been completed. Both counts (preliminary and official) are likely to take several minutes to complete.
 - **Recount** (Section 91 LEA). A recount takes place on the order of a district court judge following an application from a candidate. When required, it involves a recount of the relevant voting documents.
- In observing the processes above, it is lawful for a scrutineer to pass on information to any person of the names of persons who have voted (Section 68 LEA). The passing on of any other information is not permitted – see offences later in this booklet.
- Given that the practice has been for all local authority elections to be conducted by postal voting and not by booth voting as per parliamentary elections, scrutineers are less involved in the local elections process than for parliamentary elections.
- Scrutineers are not entitled or empowered to interfere with the conduct of an election or poll or raise questions of procedure or law with electoral officials. If a scrutineer believes that electoral procedures are not being followed, he or she should draw the matter to the attention of the electoral officer.

Appointment of Scrutineers

- For a local authority election a candidate may appoint one or more scrutineers (Section 66 LEA).
- In relation to a local authority poll, 10 or more electors, who are either in favour of or opposed to the proposal being polled, may appoint 1 or more scrutineers (Section 67 LEA).
- Every scrutineer appointed under Sections 66 or 67 of the Act must be appointed in writing (a model letter of appointment is contained in the back of this section).
- An appointment as scrutineer is not valid unless a copy of the notice of appointment is delivered by the candidate or the 10 electors to the electoral officer. The electoral officer **must** receive this notice not less than **24 hours** before the close of the voting period. The deadline is **Friday, 7 October 2016** in the case of this year's local authority elections (Section 68(1) LEA). It is suggested that a scrutineer should always carry a copy of this notice when undertaking scrutineering duties.
- Section 68(3) of the Act contains three restrictions on who may be appointed a scrutineer. No person can be a scrutineer if they are:
 - a candidate in the elections; or
 - a member or employee of any local authority or community board for whom the election or poll is being held; or
 - under 18 years of age.

Declaration

- No person appointed as a scrutineer can carry out scrutineering duties until he or she has completed a declaration (Section 14(2) LEA and Clause 91 LER).
- The key obligations for a scrutineer arising from the declaration is that he or she:
 - will well and truly serve in the office of scrutineer; and
 - will not directly or indirectly disclose any fact coming to his or her knowledge at the election or poll that he or she is required by the Act not to disclose.
- A person appointed as a scrutineer must report to the electoral officer or deputy electoral officer on the first day on which he or she is to undertake any scrutineering duty to complete the required declaration. Upon completing the declaration, the scrutineer will be given a 'scrutineer' nametag. This nametag must be returned to the electoral officer when the scrutineer leaves the premises where he or she is acting as a scrutineer.

Information to be Supplied by Electoral Officer

- As soon as practicable following the appointment of a scrutineer, the electoral officer will advise that person of:
 - arrangements for the election or poll process that he or she has been appointed for
 - what restrictions apply to scrutineers; and
 - how that person is expected to conduct themselves.

Arrangements for Roll Scrutiny, Preliminary and Official Counts and any Recount

- The electoral officer will advise the scrutineer:
 - where he or she should go, and at what time, to complete the required declaration before any scrutineering duties can be undertaken
 - when and where any planned briefing of candidates and scrutineers about election processes is to be held
 - when and where any planned briefing of electoral officials about the election or poll process is to be held
 - where the scrutiny of the roll will be conducted (address and office)
 - what days and time that the scrutiny of the roll will take place
 - that the preliminary count of voting documents will commence at 12 noon on Saturday, 8 October 2016
 - when and where the official count will commence and take place and on what days it will extend over if there are special votes to clear with the Registrar of Electors
 - on how the preliminary and official counts will be undertaken – manually or electronically
 - if a recount has been ordered by a district court judge, where and when that recount will take place
 - that no remuneration will be paid to any scrutineer by the local authority for the undertaking of scrutineering duties.

Candidates should note that all vote processing will be carried out in Christchurch and that if they wish to appoint scrutineers all costs thereof are to be met by the candidate.

Restrictions on Scrutineers During Election and Poll Processes

- Pursuant to Section 80 of the Act, the EO will process voting documents during the voting period. Scrutineers are prohibited under Section 81 of the Act from being present during the early processing of voting documents. Early processing of voting documents does not involve counting or totalling votes for any candidate for election or for or against any proposal in a poll. Counting of votes can only commence for the preliminary count after the close of voting i.e. after 12 noon on Saturday 8th October 2016.

- It is permissible for a candidate in the case of an election, and for 10 electors in the case of a poll, to appoint more than one scrutineer. However, only one scrutineer for any candidate can be present at the same place to undertake scrutineering duties.
- It is permissible for scrutineers at any time to leave and return to the undertaking of the roll scrutiny, and after close of voting, the preliminary and official counts. Upon returning to the process, a scrutineer has no power or right to expect the electoral officer to go back for his or her benefit and repeat the activities in relation to voting documents that were dealt with in his or her absence. The same practice will apply if a scrutineer is late for the commencement of any of these processes.

Conduct of Scrutineer

- The general role of scrutineers is to oversee and observe that particular procedures at an election or poll are undertaken fairly and that votes are counted fairly and reasonably. As the emphasis in relation to the role of scrutineers is on overseeing and observing, it is expected that scrutineers must not talk to electoral officials involved in the roll scrutiny, the preliminary or official counts or in any recount. If a scrutineer believes that electoral procedures are not being followed he or she should draw the matter to the attention of the electoral officer. It should not be raised with other electoral officials.
- A scrutineer must also not seek from the electoral officer and other electoral officials any progressive voting trends during the preliminary count.
- The scrutiny and the preliminary and official counts are critical processes to the outcome of an election or poll and demand a high level of concentration from electoral officials. Accordingly, it is incumbent upon scrutineers not to distract, annoy, linger close by or talk loudly to one another so as to disrupt or upset any electoral officials.
- In keeping with the needs of electoral staff, scrutineers are not allowed to use or have mobile phones switched on within the area where scrutiny of the roll, the preliminary or official count or a recount is being conducted.
- The LEA and LER are silent on the display of any party affiliation by scrutineers. The adopted policy will be what normally applies to scrutineers at parliamentary elections. This provides for the following items, in party colours but without party name, emblem, slogan or logo, may be worn on the person or displayed in a vehicle:
 - streamers
 - ribbons
 - rosettes (but see also the special rule about party lapel badges below)
 - items of a similar nature.
- Party lapel badges may be worn anywhere on the person. A party lapel badge is any badge or rosette

designed to be worn on the lapel and bearing a party name, emblem, slogan or logo. None of the above items may be displayed on bags or briefcases. Political parties will be asked to supply the electoral officer with a sample of their rosette prior to the commencement of the polling period. In the case of this years local authority elections, the polling period commences on Friday, 16 September 2016.

- Scrutineers should also bring their own refreshments. The electoral officer will not provide meals and refreshments for scrutineers.

Offences

- Scrutineers can be present at election and poll processes, which will expose them to returned voting documents and information about voting. While scrutineers are permitted to tell any person the names of persons who have voted, under the declaration a scrutineer must not directly or indirectly disclose any fact coming to his or her knowledge at the election or poll that he or she is required by the Act or Regulations not to disclose.
- Should a scrutineer break their declaration and disclose information which is prohibited then they are likely to have committed an offence under one or more of the following provisions of the LEA:
 - Section 123, Offences in respect of official documents
 - Section 129, Infringement of secrecy
 - Section 130, Disclosing voting or state of election or poll.
- These three sections are reprinted in full later. Scrutineers are advised to become familiar with them before they complete their declaration and undertake any scrutineering duties.
