WHAT POSITIONS ARE UP FOR ELECTION

We hope you'll vote in all elections on your voting document – the successful candidates make decisions that affect us all every day so make sure you have your say.

The Mayor is the leader of the City or District Council.

The City or District Council provides communities with a wide range of local services and facilities. Councils make decisions about issues including key infrastructure (e.g water supply, sewerage, roads), local regulations, recreational facilities, parks, planning and building issues.

Unitary Authorities perform the functions of both City/District Councils and Regional Councils.

The District Health Board makes decisions every day to improve the health of people in the community – including the kinds of health services to be provided.

You may also find these positions on your voting document:

Community Boards make recommendations about local issues and how Council should spend money on local services.

Regional Councils make decisions about managing our region – about quality of water, soil, coastal planning, plant and pest control, natural disasters – and in some cases public passenger transport.

Licensing Trusts exist to sell alcohol responsibly through premises in the trust area and decide how surplus profits are returned to the community.

A Poll or Referendum may also be on your voting document. Your vote in these helps the Council make decisions on the issues included in the poll or referendum.

THE CANDIDATES STANDING FOR ELECTION

- The candidates are listed under the election they are standing for.
- You can read what candidates have written about themselves and their policies in this booklet.

Please note

Although your voting document will only list the elections you are allowed to vote in, some of the candidates listed in this booklet may be standing for issues that do not apply to you.

MAKE SURE WE CAN COUNT YOUR VOTE

Fill in your voting document correctly

Selwyn District Council Mayor Electing the Mayor

Sam BROUGHTON

My principal place of residence is in the Selwyn District Council area.

Hi, Selwyn is my home, I grew up on a farm here and now live in Darfield with my wife Liz.

I have enjoyed serving our community on council for the past 6 years and I am keen to use my experience and vision for a prosperous Selwyn to lead us as Mayor.

I have a passion for people and community development, and for bringing fresh ideas and perspectives to council decisions with a collaborative approach.

Our district has a strong heritage of establishing thriving communities, and as mayor I will continue to support the aspirations of locals for their community.

There are many people who now live in Selwyn that didn't ten years ago, and we need to celebrate our growing diversity.

I already work well with our neighbouring councils, whilst firmly opposing amalgamation.

Let's work together for Selwyn's future.

Tēnā koutou katoa, Ko Selwyn tāku kainga.

I tupu ake au i runga te pāmu, ināiane e noho ana au me tāku hoa wahine Liz ki Darfield.

He tino harikoa ahau ki te manākitia tō mātou rūnanga mo ngā tau e ono. Mō tēnei e hiahia ana ahau ki te puta mai āku mohio, me āku moemoeā mō te whai rawa ō tō mātou takiwā, a Selwyn.

E hiahia ana au ki te ārahi tātou, kia tū au, mō te mēa o Selwyn. He tangata tūkaha au kia puta mai ngā whakaaro hou me ngā whakaaro o te takiwā kia mahi tahi tātou mo te orange o te rūnanga.

E maha ngā tangata e noho ana ki tō tātou rūnanga iaiane, mō tērā me whakanui tō tātou tupu rerekētanga.

Me mahi tahi tonu tātou mo te rūnanga o Selwyn.

Nō reira, tēnā koutou, tēnā koutou, tēnā tātou katoa.

Debra HASSON

My principal place of residence is in the Selwyn District Council area. I am also standing for Councillor Springs Ward Selwyn.

If elected Mayor I would be proud to showcase Selwyn's vibrant community spirit. Building on past success I will continue leading a high performing Council that develops relationships and supports business, community development, arts, culture, our volunteers, projects for our elderly, youth and new migrants. All that makes

Selwyn such a great place to live. Selwyn's shown leadership in managing our built environment. Improving our natural environment presents some challenges. Instead of playing the blame game we need to talk about the issues, challenge our current thinking to make positive changes. Committed to Selwyn I have 21 years local government experience as a Springs Ward councillor. In response to Councils complex business, multi-million dollar budget and accountability to ratepayers I recently completed the Institute of Directors Governance Development Programme. Also my Lincoln University qualifications in Agricultural Science, MSc. Environmental Management and Planning, shows a balanced profile to lead Selwyn's future.

Pat MCEVEDY

My principal place of residence is in the Selwyn District Council area. I am also standing for Councillor Ellesmere Ward.

I am a second term councillor and I am committed to Selwyn, I enjoy working with people and have had extensive business and community leadership

roles.

I am standing for Mayor because I want to see Selwyn reach its potential of being the best place to live in New Zealand, we have this opportunity, but there are many projects and community initiatives to be completed to achieve this goal. Providing certainty and clear direction is vital to all of our communities and businesses within Selwyn, I want to achieve this by ensuring that we as a council are accessible, accountable and financially responsible.

I believe I have the experience, ability, and passion to provide the leadership necessary to lead a united, cohesive and productive council that will enable and empower the people of Selwyn.

With this I seek your support and vote in running for the Mayoralty.

Sarah WALTERS

My principal place of residence is in the Selwyn District Council area.

A proven track record of nine years as a hard-working councillor, including the last six as Deputy Mayor and several stints as Acting Mayor gives me a sound understanding of the role.

Born and raised in the Darfield area, married to Scott with two

daughters (18 & 16), I know what it means to grow up and to raise a busy family here. Each area has its own character, but it is the people and the environment that define living in Selwyn. Our district offers many opportunities, but we face constant change and new challenges, from both within our district and beyond. Recognising and planning for those challenges and seeking solutions together will ensure we continue to adapt and thrive in positive and vibrant communities. Offering wide-ranging experience, strong knowledge of local government, positive relationships and a genuine commitment to the role, I seek your support to be Mayor.

Bill WOODS

My principal place of residence is in the Selwyn District Council area. I am also standing for Councillor Malvern Ward.

I have lived in Selwyn and the Malvern Ward since 1963 where along with my late wife ran several businesses and have been actively

involved in my own community and several others throughout Selwyn. During that time I was elected Mayor, Councillor, Community Board Member, and served a term on ECan. Since 2007 I have with considerable success been a People's Advocate helping those when it seemed all was lost.

I have also been very active in voluntary community projects like in the 1980's when Treasurer of St John Darfield raising money to provide an ambulance and built the garage. Led the building of the Glentunnel Museum extension and built the Donut at Springfield.

I am offering myself for election promoting that Selwyn Council is desperately in need of someone to take a determined proven approach to ensure a vibrant, helpful Council not simply more of the same.

Selwyn District Council Ellesmere Ward Electing 2 Councillors

Diane CHESMAR

My principal place of residence is not in the Ellesmere Ward area.

I have lived in Selwyn District all my life, married to Murray with two adult children.

I am currently a member of the Ellesmere A&P Horse Committee, Vice Chair of Hororata Racing, a Royal Agricultural Society Horse Judge and a Selwyn Central Community Board member. I am a founding member of the Ellesmere Cancer Support Group and Ellesmere Day Club. As our District continues to grow and become increasingly diverse, it is important that we ensure our communities are strong, welcoming and inclusive.

Community groups and volunteers are the life blood of any community, and the lifeline for many - to me it is vital that these groups are supported. I would work proactively to ensure they flourish.

I have a proven track record of standing up for what I believe in. I will work for you, and with you to ensure the best possible representation at Council.

Murray LEMON

Independent

My principal place of residence is in the Ellesmere Ward area.

I am a 51 year old self employed Contract Electrician living on a lifestyle block in Killinchy with wife Maree and the youngest of our 3 sons.

I have lived and worked in the district my whole life including running my own Contracting Business which ultimately employed 3 staff.

I have had a wide involvement in local sport and community organisations including 20 years on the Killinchy Hall Committee during its early 2000's redevelopment, Foundation Trustee of the Ellesmere Heritage Park and 12 years on the BoT's at Leeston Consolidated School and Ellesmere College, Charing both for 3 years respectively.

I work well within a team and have proven my ability to effectively lead others.

I have a strong desire to take this experience and knowledge to the next level and to use my skills to represent the Ellesmere Ward and effect positive outcomes for all people in Selwyn.

Selwyn District Council Ellesmere Ward Electing 2 Councillors

Pat MCEVEDY

My principal place of residence is in the Ellesmere Ward area. I am also standing for Mayoralty.

I live in Ellesmere and have been heavily involved in local affairs for many years chairing both Southbridge Primary and Ellesmere College BOT's. I have been a Selwyn District Councillor for the

last 6 years, in that time I have enjoyed representing the Ellesmere ward views at the council table and helping the people of Ellesmere achieve their goals across many projects and community initiatives. Since being on SDC I have held many leadership positions within Council.

Ellesmere is a thriving place with many things happening and is a wonderful place to live, if I am elected I will continue to make sure I am responsive to the needs and concerns of the people of the Ellesmere ward.

So I ask for both your support and your vote in my standing for the Mayoralty of Selwyn and as a Councillor for the Ellesmere ward.

Harry SCHAT

My principal place of residence is not in the Ellesmere Ward area.

I am 62 years of age, married to Gail with 4 adult children. Our 2 sons share milk on our 2 farms at Te Pirita. Our daughters live and work in Christchurch, and we live on a 4 ha at Broadfield.

I have farmed in the Ellesmere district for 30 years, been chairman of Springton branch of Federated Farmers. I served as Chairman of North Canterbury Federated Farmers Dairy section for 3 years whilst being vice president of Provincial, and then served 3 years as North Canterbury Provincial President. I have been working with Ecan on the farming focus group for environmental sustainability. On serving on these committees I believe I have the ability to work with people from all walks of life, hear their concerns and bring them to the council table. I look forward to you giving me your vote. Harry Schat for Ellesmere

Selwyn District Council Malvern Ward Electing 2 Councillors

John (Jum) MORTEN

My principal place of residence is in the Malvern Ward area.

After 40 years farming in the Malvern ward I am now a resident of Darfield. My wife Meg and I have enjoyed an extensive involvement with many community groups and related activities.

I've had the privilege of representing the Malvern Ward for 12 years.

I bring skill as a commercial director chairing the E. B. Milton Charitable Trust and Izone Industrial Park and as director of Sicon and previously the Selwyn Plantation Board and Greenfields/CRT.

I value working with Community committees and residents on a range of projects, finding solutions for their issues or acting as the connection with Council. I am approachable and accessible. I am committed to providing strong and effective local governance for the long term benefit of our community and I believe I have the skill, experience and enthusiasm to continue representing the Malvern Ward of the Selwyn District Council.

Bob MUGFORD

Independent

My principal place of residence is in the Malvern Ward area. I am also standing for Tawera Subdivision of The Malvern Community Board.

Bob and his wife Pam live in Coalgate. They have four children. They ran a joinery business for 39 years. Bob, has interests in Classic cars and the

history of the area.

Bob was awarded a community Service award, for the Glentunnel Hall rebuild committee.

His current involvement with our community is Deputy Chair of the Malvern Community Board, Deputy Chair of Malvern St. John Area Committee, Chair of Lake Coleridge Township Committee, Chair of Glentunnel Hall Committee and is on the committees of Friends of the Darfield Hospital, Glenroy Hall, Whitecliffs Township and Glentunnel Township.

Bob would like to see a permanent rubbish transfer station in Malvern. He would also like to see walk/cycle ways developed between townships.

Bob is friendly and is approachable and is also at hand to hear your community concerns.

Kerry PAULING

Independent

My principal place of residence is in the Malvern Ward area. I am also standing for Tawera Subdivision of the Malvern Community Board.

I am standing for council in the Malvern Ward having completed three years as your advocate on the Malvern Community Board.

Taking the next step will enable me to be more effective at keeping Malvern issues in front of council and getting resolutions. It will also allow me to serve the wider Malvern area after concentrating my efforts on the Tawera Subdivision while on the Community Board.

Involvement in the community has been a lifetime commitment. Current involvement includes Kowai Pass Domain Board, Malvern Collie Club, President Canterbury Dog Trial Association, Malvern A&P association and Assistant coach DRFC. A diverse background of working as a shearer, police officer, contractor and farmer brings a balanced common sense approach to decision making.

I seek your support to allow me to fulfil this role for you.

Bill WOODS

My principal place of residence is in the Malvern Ward area. I am also standing for Mayor - Selwyn.

I have lived in Selwyn and the Malvern Ward since 1963 where along with my late wife ran several businesses and have been actively involved in my own community and several

Mark ALEXANDER

Independent

My principal place of residence is in the Selwyn Central Ward area.

As a current councillor I am a strong and experienced advocate for residents of the Selwyn Central Ward.

Married 28 years, with a son at Lincoln High, 54 years old, I have lived in the Selwyn Central Ward 22 years, with on-going involvement in many community groups.

My work for you is not finished.

I will promote: -

Development of new community facilities for Rolleston, West Melton & Weedons.

A new library for Rolleston.

Implementation of the Rolleston Town Centre Masterplan.

Continued development of Foster Park.

Completion of the District Plan review.

District wide rating for community centres and reserves initiated.

I will continue to work for you and your community - not another employer, political party, or lobby group. I will represent you and your community's aspirations.

I have the knowledge, experience, energy, passion, enthusiasm and commitment to deliver for you!

Jeff BLAND

My principal place of residence is in the Selwyn Central Ward area.

For 19 years, I have lived in the Selwyn Central Ward with my wife Julie and family. 3 years ago I retired from the New Zealand Police. The last four years of my 38 year career were based at

Selwyn.

I have served on the Selwyn Central Community board and many local community groups.

It is my privilege to have served this community as your Ward Councillor for the last 6 years.

As promised: I have advocated for better sporting facilities, new schools, better bus services, improved parks, reserves, roads and footpaths.

We now have improved bus services, new schools, extra funding for roads, footpaths, parks, and reserve facilities.

I assure you that I have the District of Selwyn at heart.

I ask for your vote so that I can continue to provide an honest, open and common sense approach to resolve the issues and challenges that face Selwyn.

Selwyn District Council Selwyn Central Ward Electing 4 Councillors

Peter HILL

My principal place of residence is not in the Selwyn Central Ward area.

My six years as a councillor here have involved constantly advocating for the things that really matter. I also brought a huge amount of life experience into the Councillor role, was born and

brought up in Selwyn and my family has a proud history here going back to the 1870s.

My unfailing honesty and advanced sense of natural justice has seen me, for example, working tirelessly in supporting both the sanctity of freshwater and of the environment, and continuously pushing for fairness and democracy in everything Council does. I am proud, also, that Council is making more roading improvements based solely on safety factors and is supporting a much wider appreciation of the Arts in the District. My passionate involvement in these areas alone has helped provide the glue that makes Selwyn such a great place to live. A vote for me is a vote for the really important stuff.

Nicole REID

My principal place of residence is in the Selwyn Central Ward area.

We all want to live in communities where we feel happy, healthy, where all ages and abilities can enjoy. We want clean environments and adequate infrastructure to support our lifestyles,

funded by affordable rates. As a mother of three boys (6, 8, 10 years) I also have those aims for living in the Selwyn District.

I am actively involved in the community. This includes a key involvement with getting the Rolleston Drive kea crossing running and working on behalf of Rolleston Residents

Association, as Chairperson, pushing for safer pedestrian and cycling networks. My responsiveness to people's needs, persistence and questioning decisions have been, and will continue to be, vital to ensure good community outcomes.

These qualities combined with my planning and engineering background, so I can interpret technical reports and knowledge for district plan review, are all important for informed decision making for council.

Vote for me, I will listen.

Selwyn District Council Selwyn Central Ward Electing 4 Councillors

Craig WATSON

My principal place of residence is in the Selwyn Central Ward area.

A vote for me will bring a fresh voice with sensible ideas.

I will be available and attentive, listening to your views and making evidence based decisions.

Selwyn's continued growth and infrastructure needs to be managed strategically to balance rates, economic development, employment opportunities and the support of community facilities. I want a Selwyn that provides not just housing; but jobs, recreational activities and amenities that make people want to move here and more importantly stay here. I have a history of community service, youthful energy and common sense.

I love it here and will work to ensure that Selwyn stays a safe, prosperous and friendly place to live, work, raise a family and enjoy. I promise to think regional and act local. My background is in health management and governance. I have the support of my wife Jody and 4 year old daughter. Thank you for your support. www.craig4selwyn.wordpress.com

Debra HASSON

My principal place of residence is in the Springs Ward area. I am also standing for Mayor Selwyn District.

As a resident of Springston and elected Councillor for seven terms I have worked alongside you and your committees growing my knowledge of local issues from health, transport, rubbish to affordable rates, a role I wish to continue. Population growth means we need to budget for multi-million dollar services and facilities. While district wide rating is one solution for cheaper rates Council needs to recognise cost savings made by local volunteers. Council is reviewing its District Plan. I will encourage your participation so our environment continues to grow into safe, green liveable spaces. Proactive in community affairs as a qualified Resource Management Act planner and commissioner, I volunteer at Community Law Canterbury helping clients to understand this complex legislation. I am also an appointed commissioner for Sale and Supply of Alcohol Act and volunteer co-ordinator for a local water improvement group working alongside landowners to manage land drainage and biodiversity.

Malcolm LYALL

My principal place of residence is in the Springs Ward area.

I am a long term resident of Selwyn District. My wife Nicola and I have two children. I have a successful business as an electrician.

A Fourth term District Councillor, I hold the portfolios of Tourism, Economic Development and Heritage I have a strong vision for Selwyn's future. I am passionate about preserving the very best of the lifestyle that this District offers, while embracing the opportunities created by growth for its people.

I am a strong experienced voice around the Council table. I believe I have successfully represented the aspirations and needs of the people of this ward. I have been instrumental in a number of local projects including the Prebbleton Community Cottage, the Down by the Liffey Gallery and the Lincoln Event Centre.

I am standing again because I have a genuine passion for this role and there are projects that I would like to see completed.

Chris MARTIN

My principal place of residence is in the Springs Ward area.

My wife and two boys moved to Selwyn 12 years ago. I am positive and passionate about our District. The people are what make Selwyn a great place to live.

I have 27 years experience working with local government, advocating for young people and communities. For the past 7 years I have been the Youth Advisor for the Selwyn District Council working alongside our award winning Youth Council. It is essential that services and facilities keep pace with the demands of the fastest growing district in New Zealand. For this to happen the community must be involved.

I am committed to making this district even better by ensuring that the people of Selwyn are engaged in the process of making Selwyn a place to be proud of.

As a District Councillor I would dedicate myself to making Selwyn the best place in New Zealand to work, live and play.

Grant MILLER

My principal place of residence is in the Springs Ward area. I am also standing for Canterbury District Health Board.

Having been a member of the Selwyn District Council for the past three years I am seeking re-election as a Springs Ward Councillor.

I have enjoyed the challenge and responsibility of rebuilding and reshaping Selwyn to reflect our change and growth post-earthquake. Selwyn is a dynamic and growing area which has wonderful opportunities in its future.

There are a number of Springs Ward projects I would like to see brought to fruition over the next three years including the Lincoln Town Centre masterplan, equitable rating of community centres, planning for a new Prebbleton Community Centre and building of the new combined Community/Sports facility at Rhodes Park, Tai Tapu.

I am married with four children and live and farm on the outskirts of Tai Tapu. I am a current member of the NZ Institute of Directors and have completed the Massey University/ Fonterra Governance Development Program. Thank you.

My principal place of residence is in the Springs Ward area.

I'm a Journalist/Broadcaster and small business owner. I've lived in Tai Tapu for 28 years. I've raised my family here and I'm passionate about the Selwyn District. I want its natural beauty and

precious resources, especially water, to be intelligently managed and central to long term planning.

Our district has changed rapidly post earthquakes, accommodating diverse new communities and growing fast.

Our ever increasing rates bills suggest a need for such population growth, but also for tighter fiscal scrutiny.

I believe effective democracy requires a choice of candidates. I offer myself as an independent candidate with professional communications skills, previous Regional Council experience and a commitment to represent the interests of Springs Ward residents with energy and integrity.

In my experience, SDC is a competent, functional, proactive organisation with accessible staff and services. My intention, as a candidate, is to keep our council relevant and aware of those it serves.

Selwyn District Council Hawkins Subdivision of the Malvern Community Board Electing 3 Board Members

Jenny GALLAGHER

My principal place of residence is in the Hawkins Subdivision of the Malvern Community Board area.

I have lived in Kirwee for 44 years with my husband Terry. We have 3 children and 8 grandchildren.

I have been Chair of Malvern Community Board for six years, seeing McHugh's Plantation develop into a Recreation Reserve and a cycleway from Coalgate to Glentunnel.

My Community involvement includes Kirwee Reserve, Kirwee Township, Darfield Reserve, Kimberley Reserve, Hororata Township, Hororata Reserve, Courtenay Reserve, Malvern Lions, Courtenay A&P and Kirwee Community Response.

I am keen to promote the establishment of a Men's Shed and cycleway/walkways between townships and will do whatever I can to assist in supporting these projects.

I have been a Justice of the Peace for eight years and this year was honoured with a Queens Service Medal for Services to the Community.

I have the commitment, enthusiasm, passion and experience to advocate on your behalf to ensure that the people of Malvern receive good services.

Megan HANDS

My principal place of residence is in the Hawkins Subdivision of the Malvern Community Board area.

Twenty-six years old from a proud farming background, my partner and I have recently purchased our first home in the Malvern

community. Since moving to Selwyn to study at Lincoln University in 2009 I have spent much time living, working, and playing here and am delighted to have made this area home.

Through active involvement in community organisations and work in resource management consultancy, I have an excellent understanding of the challenges and opportunities rural services and councillors covering large geographical areas face.

I am excited by the prospect of serving the Malvern community to assist in enabling and enhancing the community spirit and ensuring the Malvern voice is heard as the council discuss the future of Selwyn.

I would appreciate your support to provide you a strong, energetic and youthful voice for the Hawkins subdivision. Please do not hesitate to contact me on 021665160 or meganleah.hands@gmail.com.

My principal place of residence is in the Hawkins Subdivision of the Malvern Community Board area. I am also standing for Canterbury District Health Board.

My working career has been varied, but primarily 22 years in electronics in the RNZAF, a total of seven years with Air New Zealand as an electronics engineer, some sales positions and sixteen years as Team Leader for GE Healthcare in the South Island.

I have been involved in SAR in the Auckland region, tramping Club leadership, Scout leadership to District Commissioner, the Kirwee Community Committee and nine years as Chair of the Kirwee Reserve Committee. I am also, committed to the Kirwee Community Response team.

I believe in community and enjoy working with the community, in the community, and working to improve community conditions and facilities.

I look forward to your support and supporting you in achieving greater community goals.

Judith PASCOE

My principal place of residence is in the Hawkins Subdivision of the Malvern Community Board area.

I have lived in the Malvern district most of my life and now live in Darfield. I am currently a member of the Malvern Community Board and look forward to representing you again for the next three years. I am very familiar with Council governance processes, budgeting and project management.

Involvement in the community in the past has included Kirwee School Board of Trustees, Darfield High School PTA and the Darfield Township Committee. I am a Trustee of the Malvern Health and Community Welfare Trust and a Justice of the Peace. I strongly support the activities of Malvern's community committees and enjoy working with them. I believe they should have strong and transparent support from Council and recognition as the voice of their communities.

I am also a strong advocate for the governance role of community boards and fully support decision-making by the community for the community.

Karen MEARES

My principal place of residence is in the Tawera Subdivision of the Malvern Community Board area.

I have lived in the Selwyn District all my life. My childhood years were growing up on a high country station at Peak Hill. Once married, my husband and I took over the old mid Canterbury transport yard in Coalgate and built up a successful local rural transport business. In 1983 we shifted into the Lake Coleridge area and, with a local partnership, created Ryton Station. In 2007 we shifted back to Glenroy where we are involved in our rural earthmoving company and tourism.

I am involved in the district heritage group and Hororata Highland Games. I was one of the key leaders in running the Lake Coleridge power station centenary 2014 and I am involved in the Hororata church spring fair. I very much enjoy promoting the Selwyn district. I get a lot of pleasure from helping people and being involved in our community.

My principal place of residence is in the Tawera Subdivision of the Malvern Community Board area. I am also standing for Malvern Ward.

Bob and his wife Pam live in Coalgate. They have four children. They ran a joinery business for 39 years. Bob, has interests in Classic cars and the history of the area.

Bob was awarded a community Service award, for the Glentunnel Hall rebuild committee.

His current involvement with our community is Deputy Chair of the Malvern Community Board, Deputy Chair of Malvern St. John Area Committee, Chair of Lake Coleridge Township Committee, Chair of Glentunnel Hall Committee and is on the committees of Friends of the Darfield Hospital, Glenroy Hall, Whitecliffs Township and Glentunnel Township.

Bob would like to see a permanent rubbish transfer station in Malvern. He would also like to see walk/cycle ways developed between townships.

Bob is friendly and is approachable and is also at hand to hear your community concerns.

I am standing for re-election as your advocate on the Malvern Community Board.

The last three years on the board have been both rewarding and educational for me. Learning the process has been invaluable.

Involvement in the community has been a lifetime commitment. Current involvement includes Kowai Pass Domain Board, Malvern Collie Club, President Canterbury Dog Trial Association, Malvern A&P association and Assistant coach DRFC.

A diverse background of working as a shearer, police officer, contractor and farmer brings a balanced common sense approach to decision making.

I seek your support to allow me to fulfil this roll for you.

My principal place of residence is not in the Mid Canterbury Constituency area.

71yo, semi retired, educated Canterbury University, I have a varied career as a field exploration geologist, mine and hydro feasibility engineering geologist, environmental scientist and analyst, also a financial analyst. I have been a regional councillor before, WCRC 1998-2001. In national politics I am a board member of the United Future Party. However, in Mid-Canterbury I have particular focus in applying a revolutionary holistic new approach to the management of freshwater and land resources. Mapping the geology there I have discovered differential movement of active faults has buckled and tilted the plains to create closed underground reservoirs, the faults providing pathway for water as rivers in flow pass over them. Obtaining multiple utility and purpose requires increasing water storage in Lake Coleridge, putting the Selwyn and restoring North Branch Ashburton River into permanent flow to obtain some truly magnificent economic, environmental and social outcomes.

Nicky SNOYINK

My principal place of residence is in the Mid Canterbury Constituency area.

Twenty years in the nature tourism sector has shown me that a healthy, safe natural environment is necessary for promoting healthy economies. I recently completed a Master of Environmental Policy which has strengthened this view. My understanding of how policy decisions are made, combined with my work experience, give me the necessary skills to be a Regional Councillor.

I grew up roaming Canterbury's rivers and lakes, and enjoyed swimming when water was clean and abundant. My vision is to promote change so future generations also have this opportunity. Safe drinking water, better air quality and improved connectivity are part of that change.

As mid Canterbury's Regional representative, I will work to build relationships with communities from the mountains to the sea, which promote communication and full public participation. A vote for me is a vote for democracy, a healthy environment, and opportunities to influence decisions that affect our future.

John Sunckell is a third generation farmer from Leeston, married to Karen with two children. He comes from a family that has a long record of involvement in the community and has

maintained this tradition through his operational and administrative roles within St John Ambulance in Selwyn Central for the past 34 years along with participating in and leading many other sports and community groups.

Latterly John has been involved with the Selwyn/Waihora Zone committee and has been an integral part of the community engagement that has led to the development of the S/W sub regional chapter. Through this engagement he has an enhanced understanding of both the emotional attachment people have with water and a very good understanding of the science.

He believes that his strong community focus along with his knowledge of water management and agriculture will make him a strong governor to represent Mid Canterbury.

Hi Canterbury! I will help you as a member of the DHB. As a husband of one and father of two, I am well aware of the challenges facing the health system. Emergency Room wait times are too long, which is understandably annoying to members of the public. Such wait times are unnecessary and can be easily solved with a few tweaks to the system. Furthermore, my experiences in psychological and counselling services have shown me that there needs to be more attention focused on mental health in Canterbury (and New Zealand in general). Addiction services for our most vulnerable are inadequate and not reaching those who need such services the most. I conclude by saying that I will work at the DHB as an independent member representing the people of Canterbury. Each issue will be considered case by case, in an unbiased way with common sense as the foundation.

Conflict of Interest Statement

To the best of my knowledge and belief, I have no conflicts of interest with the Canterbury District Health Board (DHB) at the date of my notice of consent to being nominated as a candidate for membership of the board of the DHB, and I do not believe that any such conflicts of interest are likely to arise in future.

I will advocate for affordable and better healthcare for everyone - young and old, urban and rural. Some critical issues, that keep me awake at night are: reducing waiting lists, more elective surgery, mental health issues, health for an aging population health and affordable dentistry. I am a qualified speech/language pathologist and early intervention teacher/ disability advisor and worked for many years in these fields. As a former long serving Christchurch City Councillor with a reputation for strong advocacy, I use these same skills to ensure our public health service is high quality, sustainable and accountable. Health services must be there when and where needed. One of the critical issues facing our health system is our ageing population. I actively seek continuing improvement in older person's health and accessible home-based care. Despite setbacks from the earthquakes I work continually to improve access to elective surgery and integrated hospital and G P Services for efficiencies to benefit the patient. The CDHB faces some very difficult challenges right now. Per capita funding has been cut in the latest budget. Canterbury now has a per capita funding that is 17% below the national average.

This is in the face of some unique risks rising from the earthquakes of 2010-2011. It is well known that long-term stress leads to a compromised immune system. One in five of our children shows signs of post-traumatic stress disorder, which, according to the Dunedin longitudinal study, puts them at high risk for long-term disorders such as diabetes and heart disease. It will take all of the creativity the CDHB can bring to bear to meet these challenges. We need people who can get the most efficient use of our limited health dollars. We need people who can be focused and manage priorities, while still maintaining a broad perspective. I believe that I am such a person.

Conflict of Interest Statement

My son has just graduated from nursing school and hopes to be employed by the CDHB.

Post-earthquake Canterbury health still faces significant challenges which include

underfunding, increasing pressure on the health system, staff wellness and community mental health. I want to continue to advocate, asking the hard questions and ensuring that the decisions being made on your behalf are more transparent and timely. Issues to be tackled and my focus will be the rebuild hospital campus and earthquake damaged buildings, ensuring staff wellbeing, rural and Maori inequities and unmet demand. It's been a tough three years with what I believe the lack of engagement with the Ministry of Health and this partnership has to be to the forefront to ensure Canterbury's real pressures are not treated as business as usual. Strong, forthright and experienced I want to continue with the outstanding work achieved so far but to ensure Cantabrians get a better deal. Kia ora, talofa lava, greetings

It's been a privilege serving on the CDHB Board since 2010 leading and supporting significant health system transformation. A highlight from this term was chairing the CDHB Disability Support Advisory Group and the development of our CDHB Strategic Disability Action Plan.

As a professional director, trustee, facilitator, coach, trainer and advisor I live and work on the edges and in between organisations and communities. Most of these roles require meaningful engagement across diverse communities, listening deeply and making sense of complex situations. Over the next three years these will remain critical competencies for decision makers including those across our health and aligned systems including education, social service, sport and recreation.

I have served as a President of the Fiji Head-Teachers Association and Training Coordinator of American Peace Corps in the South Pacific and was founder member, secretary and treasurer of Fiji Teachers Co-operative Society which now runs in million dollars. As a senior citizen I feel confident of my experience and ability to serve the health board with honesty and dedication in improving, promoting and protecting the health of all people with special attention to Maori poor people and disability sector.

Conflict of Interest Statement

I have the following current conflicts of interest with the Canterbury District Health Board (DHB).

My wife works for Christchurch Womens Hospital in the Reception Department.

To the best of my knowledge and belief, I have no other conflicts of interest with the DHB at the date of my notice of consent to being nominated as a candidate for membership of the board of the DHB.

I do not believe that any conflicts of interest are likely to arise in future, other than the continuation of the conflicts of interest stated above.

Canterbury District Health Board

Electing 7 Board Members

Gilbert TAURUA

My principal place of residence is in the Canterbury District Health Board area.

Gilbert Taurua, MPHA, BA (Hons) and Graduate Dip Social Work, University of Canterbury.

Christchurch born and bred, married with 3 special children and trade certified motor

mechanic. Gilbert has 25 plus years' experience working across the broader health, social services, education and justice sectors. He has a personal interest in disability, long term conditions, mental health and better, sooner, more convenient health care services. Early intervention, treatment and prevention requires specific focus and attention. Gilbert has worked at an executive management level within a DHB and understands the dynamics between quality clinical care within a changing fiscal environment. He has significant governance experience, including policy, practice, research and evaluation. A vote for Gilbert will assure you of a practical, independent, common sense approach to enhancing health and wellbeing gains for Cantabrians.

Steve WAKEFIELD

My principal place of residence is in the Canterbury District Health Board area.

I have served as Deputy Chair of the Canterbury DHB for the last three years, and would like to be elected to continue this work. I have 35 years of IT and business consulting experience and was

previously NZ Chartered Accountant of the Year. I bring significant financial and risk governance skills to the Board, which are vital since we have many challenges, to continue improving our services and delivering more healthcare while living within our funding constraints.

programme, and in the last 3 years we have opened new hospital facilities at Burwood, Kaikoura and Rangiora. We have ongoing projects at Akaroa, Ashburton, Hillmorton and Christchurch Hospital. We have also provided increased integrated care in the community, and are investing in many new IT systems to improve the efficiency and effectiveness of health services.

Conflict of Interest Statement

I have the following current conflicts of interest with the Canterbury District Health Board (DHB).

I am a Partner in Deloitte, a leading accounting and consulting services firm. From time to time, the CDHB may wish to invite Deloitte to tender for the provision of services. In the year previous to my appointment, any such services have not amounted to a material sum for CDHB or Deloitte.

If CDHB wishes to invite Deloitte to tender for the provision of services in the future, I will stand aside from any involvement in that decision.

To the best of my knowledge and belief, I have no other conflicts of interest with the DHB at the date of my notice of consent to being nominated as a candidate for membership of the board of the DHB. I do not believe that any conflicts of interest are likely to arise in future, other than the continuation of the conflicts of interest stated above.
