

Selwyn District Council
Hawkins Subdivision of the Malvern Community
Board
Electing 2 Board Members

Ken MAY

My principal place of residence is in the Hawkins Subdivision of the Malvern Community Board area.

Kenneth (Ken) James May

As a 17-year-old, I joined the RNZAF to learn a trade and to serve my country. After twenty years of service, I resigned from the RNZAF and have been involved in the communities I've resided in during my service and ever since, despite a varying work commitment.

Living in Kirwee for over twenty years, I have served the local community in many roles, including Township, Reserve, and Hall Committees, the Community Response Team and Community Patrol, as well as supporting other community activities throughout the Malvern Ward, when possible.

It is my commitment to our wider community in the Malvern Ward that makes me want to continue to grow those improvements in our local environment that will mark our position in the gateway to the West Coast, through the Southern Alps, as a great place to be, to visit and to stay.

K. J. May
