Electing 2 Board Members

Sharn NU'U

My principal place of residence is in the Hawkins Subdivision of the Malvern Community Board area.

Raised in a small country town and like many kiwi kids, I enjoyed swimming in clean creeks, rivers, lakes and beaches, exploring hills and valleys, fishing and whitebaiting and helping mum and nana in the garden.

I am a mother, a grandparent and a pet owner, and I feel truly blessed to be able to give my family a similar upbringing to mine in this beautiful region. I have been a local community volunteer for 2 years. I currently help out with the local Mainly Music program, serving my church, running the Darfield Winter Donation Drive, and more recently have been collaborating with the Darfield Foodbank and Darfield Life Church to serve the community.

Malvern has my heart, and I would love the opportunity to serve these communities in a greater capacity, which is why I'm running for Community Board. I stand for community.
