

Selwyn District Council
West Melton Subdivision of the Malvern
Community Board
Electing 2 Board Members

Bruce RUSSELL

My principal place of residence is in the West Melton Subdivision of the Malvern Community Board area.

Bruce Russell. QSM. JP

Long standing advocate for the advancement in facilities, for all in the West Melton area, having been part of the progressive local community committees for many years. Instrumental in gaining WMRCC and Youth Park as an example. Still many more projects to achieve & finish such as following up on the rearrangement of sports fields on West Melton Domain, the fitness running/walking track, new facilities for tennis and netball.

Having been a past member of the now disestablished Selwyn Central Community Board, I would like to continue representation by filling one of the positions made available to West Melton on the Malvern Community Board.

With my wealth of local knowledge & past experience on previous projects I feel I can do justice to this position.

I look forward to your support in the forthcoming elections.
