Policies

What is your view on the proposed changes to the Significance and Engagement Policy and financial policies outlined on pages 54-55 of the consultation document?

Rating of Maori freehold land.

1. There are no full blooded Maoris in NZ

2. Few are more than 1/4 Maori

3. All land should be rated similarly regardless of the ethnicity of the owner. Any other policy is racist.

Other comments?

You can provide comments on any other matters in our draft Long-Term Plan, including the projects in the Keeping Your Community Informed section on pages 44-51 of the consultation document.

*1 The figures of \$1 million and \$290k are pure fantasy. Give the \$290k to the residents of Sheffield - they will run the pool more efficiently than the Council.

*2 As above - Council should let private enterprise develop the economy more efficiently than Council can

* Stop ramming the Maori language down our throats. Less than 1% are fluent.

* The notion that human activity is significantly warming the atmosphere is a myth

* It is my understanding that in the 1998 seven yr plan, Station Rd RD.1 7671 was to be sealed. Selwyn Council approved the opening of a quarry at the eastern end of Bealey Rd. The increase in heavy traffic resulting is dramatic. Numerous trucks daily and the dust nuisance resulting is not only horrible but is a health hazard. The section of Station Rd particularly affected is that between SH 73 and Hoskyns Rd. You approved that Quarry and made our lives unpleasant. Please rectify ASAP

Piebbleton Community Hall was scheduled for replacement in the current 10 year plan with money assigned for the work. Where has this money gone & why are we not getting a new fit for purpose community hall for the ever increasing population of Piebbleton. There is a large section for sale on Springs Road that would be ideal.
